

SELF ASSESSMENT PROCEDURE

PART 1

THE INFORMATION REQUIRED FOR THE COMPLETION OF THIS FORM MAY COME FROM ANY AVAILABLE SOURCE(S) TO THE INTERVIEWER (E.G., PATIENT, FAMILY, LEGAL GUARDIAN, FRIENDS, MEDICAL RECORD, ETC.)

1. I would like you to fill in a self-assessment form, are you willing to do so?

[If "yes," proceed to "2," if "no," stop]

2. Before giving you the form to complete I would like to ask you a few questions, can we start?

[If "yes," proceed to "3," if "no," stop]

IA(CXXIX) (182) STUPOR

Mark "present," if the answer is "yes" to "d."

- a. (Is the patient motionless?)
[If "yes," proceed to "b," if "no," stop (-), proceed to IIA]
- b. (Is the patient answering questions?)
[If "yes," stop (-), proceed to IIA; if "no," proceed to "c"]
- c. Please touch your nose with your right index finger.
(Does the patient follow instructions?)
[If "yes," stop (-), proceed to IIA; if "no," proceed to "d"]
- d. (Is the patient unresponsive to painful stimuli?)
[If "yes," stop (+), proceed to IIA; if "no," stop (-), proceed to IIIA]

IIA(CXXX) (178) SEMISTUPOR

Mark "absent" if IA is marked "present"; or mark "present," if the answer is "yes" to "a."

- a. (Is the patient answering questions by uttering monosyllables only?)
[If "yes," stop (+), proceed to IIIA; if "no," proceed to IIIA]

IIIA(CXXXI) (81) FEMALE

Mark "present" if the answer is "yes" to "a."

- a. (Is the patient a woman?)
[If "yes," stop (+), proceed to IVA; if "no," stop (-), proceed to VA]

IVA(CXXXII) (23) CHILDBIRTH

Mark "absent" if IIIA is marked "absent."

Mark "present," if the answer is "yes" to "b."

a. (Is it possible that she just delivered a child?)

[If "yes," proceed to "b," if "no," stop (-), proceed to CXXXVa]

b. Have you had a baby recently?

[If "yes," stop (+), proceed to VA; if "no," stop (-), proceed to VIA]

VA (CXXXIV) (183) STUPOR IN TEMPORAL CONNECTION WITH CHILDBIRTH
Mark "absent" if IA, IIIA or IVA are marked "absent," or if IIA is marked "present"; or if the answer is "yes" to "a."

a. (Did the patient become stuporous within a month after delivering the child?)

[If "yes," stop (+), proceed to VIA; if "no," stop (-) and proceed to VIA]

VIA(CXXXV) (128) LOSS OF LOVED ONE

Mark "present" if the answer is "yes" to "b."

a. Has someone dear to you passed away recently?

[If "yes," proceed to "b," if "no," stop (-), proceed to VIIIA]

b. Has it affected your everyday routine or lifestyle?

[If "yes," stop (+), proceed to VIIA; if "no," stop (-), proceed to VIIIA]

VIIA(CXXXVII) (184) STUPOR IN TEMPORAL CONNECTION WITH LOSS OF LOVED ONE

Mark absent if IA or VIA are marked "absent"; or if the answer is "yes" to "a."

a. (Did the patient become stuporous within 2 months after the death of this significant person in his/her life?)

[If "yes," stop (+), proceed to VIIIA; if "no," stop (-), proceed to VIIIA]

VIIIA(CXXXVIII) (157) PRECIPITATING FACTOR

Mark "present" if VIA is marked "present";

Mark "present," if the answer is "yes" to "b"/"d."

a. Did anything emotionally painful happened to you recently?

[If "yes," proceed to "b," if "no," proceed to "c"]

b. Has it affected your everyday routine or lifestyle?

[If "yes," stop (+), proceed to IXA; if "no," proceed to "c"]

c. Did anything stressful happen to you recently?

[If "yes," proceed to "d," if "no," stop (-), proceed to CXLla]

- d. Has it affected your everyday routine or lifestyle?
 [If "yes," stop (+), proceed to IXA; if "no," stop (-),
 proceed to XA]

IXA(CXL) (188) STUPOR IN TEMPORAL CONNECTION WITH PRECIPITATING
 FACTOR

Mark absent if IA or VIIIA are marked "absent"; or if the answer is "yes" to "a."

- a. (Did the patient become stuporous within 3 months after being exposed to the
 emotionally painful or stressful situation?)
 [If "yes," stop (+), proceed to XA; if "no," stop (-), proceed to XA]

XACL) (143) NEUROLOGICAL ILLNESS

Mark "present," if the answer is "yes" to "c."

- a. Have you ever had any neurological illness?
 [If "yes," proceed to "b," if "no," stop (-), proceed
 to XIIA]
- b. Can you name them?
 [If "yes," proceed to "c," if "no," stop (-), proceed
 to XIIA]
- c. Please name them?
 (Can you identify a neurological illness?)
 [If "yes," stop (+), proceed to XIA; if "no," stop
 (-), proceed to XIIA]

XIA(CLII) (187) STUPOR IN TEMPORAL CONNECTION WITH NEUROLOGICAL
 ILLNESS

Mark "absent" if IA or XA are marked "absent"; Mark "present," if the answer is "yes" to
 "a"/"b."

- a. (Was the patient diagnosed with this neurological
 illness in the month prior to becoming stuporous?)
 [If "yes," stop (+), proceed to XIIA; if "no,"
 proceed to "b"]
- b. (Did the patient's neurological illness become
 aggravated in the month prior to becoming stuporous?)
 [If "yes," stop (+), proceed to XIIA; if "no," stop
 (-), proceed to XIIA]

XIIA(CXLVII) (130) MEDICAL ILLNESS

Mark "present," if the answer is "yes" to "c."

- a. Have you ever had any medical illness?
[If "yes," proceed to "b," if "no," stop (-), proceed to XIVA]
- b. Can you name them?
[If "yes," proceed to "c," if "no," stop (-), proceed to XIVA]
- c. Please name them?
(Can you identify a non-psychiatric and non-neurological medical illness?)
[If "yes," stop (+), proceed to XIII A; if "no," stop (-), proceed to XIVA]

**XIII A(CXLIX) (185) STUPOR IN TEMPORAL CONNECTION WITH
MEDICAL ILLNESS**

Mark "absent" if IA or XIIA are marked "absent"; Mark "present" if the answer is "yes" to "a"/"b."

- a. (Was the patient diagnosed with this non-psychiatric and non-neurological medical illness within the 3 months prior to becoming stuporous?)
[If "yes," stop (+), proceed to XIVA; if "no," proceed to "b"]
- b. Did the patient's medical illness become aggravated within the 3 months prior to becoming stuporous?
[If "yes," stop (+), proceed to XIVA; if "no," stop (-), proceed to XIVA]

XIVA(CLIII) (138) MOOD DEPRESSANT MEDICATION

Mark "present" if the answer is "yes" to "b."

- a. Have you ever taken any medication?
[If "yes," proceed to "b," if "no," stop (-), proceed to XVIA]
- b. Can you name them?
(Can you identify any of the following medications:
cimetidine, clonidine, corticosteroids, cytotoxic agents, guanethidine, oral contraceptives, methyl dopa, propranolol or reserpine?)
[If "yes," stop (+), proceed to XVA; if "no," stop (-), proceed to XVIA]

**XVA(CLV) (186) STUPOR IN TEMPORAL CONNECTION WITH MOOD
DEPRESSANT MEDICATION**

Mark absent if IA or XIVA are marked "Absent"; or if the answer is "yes" to "a"

- a. (Was the patient taking any of these drugs in the month prior to becoming stuporous?)
[If "yes," stop (+), proceed to XVIA; if "no," stop (-), proceed to XVIA]

XVIA(CLVI) (191) SUBSTANCE USE

Mark "present," if the answer is "yes" to "c" or "e."

- a. Have you been taking any drugs of abuse?
[If "yes," proceed to "b," if "no," proceed to "d"]
- b. More than once?
[If "yes," proceed to "c," if "no," proceed to "d"]
- c. What were you taking?
(Was the patient taking one of the following substances:
amphetamines, cannabis, cocaine, hallucinogens, inhalants, ketamine, opioids,
phencyclidine and/or related drugs?)
[If "yes," stop (+), proceed to XVIIIA; if "no,"
proceed to "d"]
- d. Have you been taking any alcohol at all?
[If "yes," proceed to "e," if "no," stop (-), proceed
to XVIIIIA]
- e. Have you been drinking in excess?
[If "yes," stop (+), proceed to XVIIIA; if "no," stop
(-), proceed to XVIIIIA]

XVIIA(CLVIII) (189) STUPOR IN TEMPORAL CONNECTION WITH SUBSTANCE USE

Mark "absent" if IA or XVIA are marked "absent"; or mark "present" if the answer is "yes to "a."

- a. (Was the patient taking any of these drugs in the month prior to becoming stuporous?)
[If yes," stop (+), proceed to XVIIIIA; if "no," stop (-), proceed to XVIIIIA]

XVIII(A)LXXVIII) (166) RESTRICTED THINKING

Mark "present," if the answer is "yes" to "c"/"d."

- a. Has your thinking changed in any way?
[If "yes," proceed to "b," if "no," proceed to "d"]
- b. Has your thinking become restricted to one or a few themes?
[If "yes," proceed to "c," if "no," proceed to "d"]
- c. Do you have difficulty to switch from one topic to another?
[If "yes," stop (+), proceed to XIXIA; if "no," proceed to "d"]
- d. (Is shrinking of thought content with difficulty to switch from one topic to another evident during the interview?)
[If "yes," stop (+), proceed to XIXIA; if "no," stop (-), proceed to XIXIA]

XIXA(LXXIX) (169) RETARDED THINKING

Mark "present," if the answer is "yes" to "b"/"c"/"d."

- a. Has the speed of your thinking changed in any way?
[If "yes," proceed to "b," if "no," proceed to "d"]
- b. Is your thinking slower than before with progressively increasing delays?
[If "yes," stop (+), proceed to XXA; if "no," proceed to "c"]
- c. Do you have difficulty switching from one topic to another?
[If "yes," stop (+), proceed to XXA; if "no," proceed to "d"]
- d. (Is slow and laborious flow of thoughts with progressively increasing delays in the processing of ideas observable?)
[If "yes," stop (+), proceed to XXA; if "no," stop (-), proceed to XXA]

XXA(LXXVI) (150) OBSESSIVE THOUGHTS

Mark "present," if the answer is "no" to "c."

- a. Are you bothered by persistently recurring senseless thoughts?
[If "yes," proceed to "b," if "no," stop (-), proceed to XXIIA]
- b. Could you tell me what they are?
(Can you identify any non-delusional unpleasant persistent and senseless thoughts?)
[If "yes," proceed to "c," if "no," stop (-), proceed to XXIIA]
- c. Could you stop them?
[If "yes," stop (-), proceed to XXIIA; if "no," stop (+), proceed to XXIA]

XXIA(LXXVII) (26) COMPULSIVE ACTIONS

Mark "absent" if XXA is marked "absent"; or mark "present, if the answer is "yes," to "b."

- a. Do you have to carry out some of your senseless thoughts?
[If "yes," proceed to "b," if "no," stop (-), proceed to XXVIIA]
- b. Regardless how hard you try to resist?
[If "yes," stop (+), proceed to XXIIA; if "no," stop (-), proceed to XXIIA]

XXIIA(XCIII) (38) DELUSIONS

Mark "present," if the answer is "yes" to "c"/"d."

- a. Do you believe in something that other people might

- have problems understanding or find strange?
 [If "yes," proceed to "b," if "no," proceed to "d"]
- b. Would you tell me what they are?
 (Does the belief qualify for a delusion?)
 [If "yes," proceed to "c," if "no," stop (-), proceed to XXIII A]
- c. Is it impossible that you are wrong?
 [If "yes," stop (+), proceed to XXIII A; if "no," stop (-), proceed to XXIII A]
- d. (Is the patient delusional during the interview?)
 [If "yes," stop (+), proceed to XXIII A; if "no," stop (-), proceed to XXIII A]

XXIII A(CVII) (39) DELUSIONS OF ANNIHILATION

Mark "present," if the answer is "yes" to "c."

- a. Do you believe that the world is destroyed?
 [If "yes," proceed to "c"; if "no," proceed to "b"]
- b. That no one from your family was left alive?
 [If "yes," proceed to "c"; if "no," stop (-), proceed to XXIV A]
- c. Is it impossible that you are wrong?
 [If "yes," stop (+), proceed to XXIV A; if "no," stop (-), proceed to XXIV A]

XXIV A(CV) (144) NIHILISTIC DELUSIONS

Mark present," if the answer is "yes" to "c."

- a. Do you believe that you don't exist?
 [If "yes," proceed to "c"; if "no," proceed to "b"]
- b. Do you believe that you don't have a body?
 [If "yes," proceed to "c"; if "no," stop (-), proceed to XXV A]
- c. Is it impossible that you are wrong?
 [If "yes," stop (+), proceed to XXV A; if "no," stop (-), proceed to XXV A]

XXV A(XCV) (68) FEELING OF ALIEN INFLUENCE

Mark "present," if the answer is "yes" to "f."

- a. Do you feel influenced or controlled by outside forces?
 [If "yes," proceed to "b," if "no," stop (-), proceed to XXV IAa]
- b. That your feelings are influenced or controlled?
 [If "yes," proceed to "f"; if "no," proceed to "c"]
- c. That your actions are influenced or controlled?
 [If "yes," proceed to "f"; if "no," proceed to "d"]
- d. That your will is influenced or controlled?

- [If "yes," proceed to "f"; if "no," proceed to "e"]
- e. That your behavior is influenced or controlled?
 [If "yes," proceed to "f"; if "no," stop
 (-), proceed to XXVIAa]
- f. How?
 (Is feeling of alien influence identifiable?)
 [If "yes," stop (+), proceed to XXVIAa; if "no," stop
 (-), proceed to XXVIAa]

XXVIA(XCVI) (204) THOUGHT BROADCASTING

Mark "present," if the answer is "yes" "c"/"d"/"e."

- a. Have you noticed any change in the possession of your thoughts?
 [If "yes," proceed to "b," if "no," proceed to "d"]
- b. Are your thoughts exclusively yours until you feel like communicating them?
 [If "yes," proceed to "d," if "no," proceed to "c"]
- c. Are your thoughts shared by others physically?
 [If "yes," stop (+), proceed to XXVIIA; if "no," proceed to "d"]
- d. Can your thoughts be heard by others?
 [If "yes," stop (+), proceed to XXVIIA; if "no," proceed to "e"]
- e. Can you hear your thoughts spoken out aloud?
 [If "yes," stop (+), proceed to XXVIIA; if "no," stop
 (-), proceed to XXVIIA]

XXVIIA(XCVII) (205) THOUGHT INSERTION

Mark "present," if the answer is "yes" to "b."

- a. Have you felt that thoughts are being put into your head physically?
 [If "yes," proceed to "b," if "no," stop (-), proceed to XXVIIIa]
- b. How?
 (Is patient's answer impossible to happen?)
 [If "yes," stop (+), proceed to XXVIIIa; if "no," stop (-), proceed to XXVIIIa]

XXVIIIa(XCVIII) (206) THOUGHT WITHDRAWAL

Mark "present," if the answer is "yes" to "b."

- a. Have you felt as if thoughts are being taken out from your head physically?
 [If "yes," proceed to "b," if "no," stop (-), proceed to XXIXa]
- b. How?
 (Is patient's answer impossible to happen?)
 [If "yes," stop (+), proceed to XXIXa; if "no," stop (-), proceed to XXIXa]

XXIXA(XCIX) (112) INHIBITED THINKING

Mark "present," if the answer is "yes" to "c"/"d."

- a. Do you feel any interference with the flow of your thoughts?
[If "yes," proceed to "b," if "no," proceed to "d"]
- b. Do you feel that it is interfered by an external force?
[If "yes, proceed to "c," if "no," proceed to "d"]
- c. Is it a force that you cannot remove however hard you try?
[If "yes," stop (+), proceed to XXXA; if "no," proceed to "d"]
- d. (Is there evidence of inhibited thinking?)
[If "yes," stop (+), proceed to XXXA; if "no." stop (-), proceed to XXXA]

XXXA(C) (88) HALLUCINATIONS

Mark "present if the answer is "yes" to "b"/"d"/"f"/"g."

- a. Do you hear voices that no one can hear?
[If "yes," proceed to "b"; if "no," proceed to "c"]
- b. What can you hear?
(Can auditory hallucinations be identified?)
[If "yes," stop (+), proceed to XXXIA; if "no," proceed to "c"]
- c. Do you see things no one can see?
[If "yes," proceed to "d"; if "no," proceed to "e"]
- d. What do you see?
(Can visual hallucinations be identified?)
[If "yes," stop (+), proceed to XXXIA; if "no," proceed to "e"]
- e. Do you smell things no one can smell?
[If "yes," proceed to "f"; if "no," proceed to "g"]
- f. What can you smell?
(Can olfactory hallucinations be identified?)
[If "yes," stop (+), proceed to XXXIA; if "no," proceed to "g"]
- g. (Is there any evidence of hallucinations?)
[If "yes," stop (+), proceed to XXXIA; if "no," stop (-), proceed to XXXIA]

XXXIA(CVIII) (137) MOOD CONGRUENT PSYCHOTIC SYMPTOMS

Mark "absent" if XXIIA or XXXXA are marked "absent";

or mark "absent" if XXV, XXVI, XXVII or XXVIII are marked "present"; or mark "present" if XXIII or XXIV are marked "present," or if the answer is "yes" to "a."

- a. (Is the content of delusions or hallucinations any of the following: personal inadequacy, guilt, disease, death, deserved punishment?)
[If "yes," stop (+), proceed to XXXIIA; if "no," stop (-), proceed to XXXIIA]

XXXIIA(CII) (118) LACK OF INSIGHT

Mark "present," if the answer is "yes" to "c."

- a. Is it possible that your mood has affected your outlook?
[If "yes," stop (-), proceed to XXXIIIA; if "no," proceed to "b"]
- b. That your mood has affected your judgment?
[If "yes," stop (-), proceed to XXXIIIA; if "no," proceed to "c"]
- c. (Is there evidence for lack of insight?)
[If "yes," stop (+), proceed to XXXIIIA; if "no," stop (-), proceed to XXXIIIA]

XXXIIIA(CIII) (154) PERPLEXITY

Mark "present," if the answer is "yes" "c"/"d"/"e."

- a. Do you feel uncertain?
[If "yes," proceed to "c," if "no," proceed to "b"]
- b. Are you puzzled about what is going on?
[If "yes," proceed to "c," if "no," proceed to "e"]
- c. Do you feel a feeling that you are unable to come to grips with your situation?
[If "yes," stop (+), proceed to XXXIIVA; if "no," proceed to "d"]
- d. Do you feel a feeling that you are unable to understand what is happening to you?
[If "yes," stop (+), proceed to XXXIIVA; if "no," proceed to "e"]
- e. (Is the patient uncertain or puzzled and unable to understand what is happening?)
[If "yes," stop (+), proceed to XXXIIVA; if "no," stop (-), proceed to XXXIIVA]

XXXIIVA(CLXXIII) (142) NEGATIVISM

Mark "present," if the answer is "yes" to "b, or if the answer is "no" to "c"

- a. Please lift your right arm.
(Is the patient doing what he/she is asked to do?)
[If "yes," stop (-), proceed to XXXVA; if "no," proceed to "b"]
- b. (Is the patient doing the opposite what he/she is asked to do?)

[If "yes," stop (+), proceed to XXXVA; if "no," proceed to "c"]

- c. Please touch with your right index finger your nose
(Does the patient follow instructions?)
[If "yes," stop (-), proceed to XXXVA; if "no," stop (+), proceed to XXXVA]

XXXVA(CLXXVII) (22) CATATONIC MANIFESTATIONS

Mark "present," if the answer is "yes" to "b"/"d"/"f"/"h."

- a. (Is the patient immobile?)
(If "yes," proceed to "b," if "no," proceed to "c")
- b. (Is the patient displaying excessive motor activity?)
(If "yes," stop (+), proceed to XXXVIA; if "no," proceed to "d")
- c. (Is the patient displaying excessive motor activity?)
(If "yes," proceed to "d," proceed to "e")
- d. (Does the patient resist to instructions or maintains a rigid posture or is the patient mute without any well identifiable structure impairment?)
(If "yes," stop (+), proceed to XXXVIA; if "no," proceed to "f")
- e. (Does the patient resist to instructions or maintains a rigid posture or is the patient mute without any well identifiable structure impairment?)
(If "yes," proceed to "f," if "no," proceed to "g")
- f. (Is the patient assuming inappropriate or bizarre postures?)
(If "yes," stop (+), proceed to XXXVIA; if "no," proceed to "h")
- g. (Is the patient assuming inappropriate or bizarre postures?)
[If "yes," proceed to "h," stop (-), proceed to XXXVIA]
- h. (Is the patient copying the interviewer's movements or echoing interviewer's words?)
[If "yes," stop (+), proceed to XXXVIA; if "no," stop (-), proceed to XXXVIA]

XXXVIA(CLXXVIII) (201) TANGENTIAL THINKING

Mark "present," if the answer is "yes" to "b"

- a. (Does the patient's thinking ever reach the goal?)
[If "yes," stop (-), proceed to XXXVIIA; if "no" proceed to "b"]
- b. (Is the patient talking past and around the point?)
[If "yes," stop (+), proceed to XXXVIIA; if "no," stop (-), proceed to XXXVIIA]

XXXVIIA(CLXXIX) (35) DELIRIUM

Mark "present" if the answer is "yes" to "e"/"f."

- a. (Is there evidence of clouded state of consciousness?)
[If "yes," proceed to "b," if "no," stop (-), proceed to XXXVIII A]
- e. (Is the patient displaying fleeting attention?)

- [If "yes," proceed to "c," if "no," stop (-), proceed to XXXVIII A]
- c. (Disconnected thinking?)
 [If "yes," proceed to "d," if "no," stop (-), proceed to XXXVIII A]
- d. (Is the patient hallucinating?)
 [If "yes," proceed to "e," if "no," stop (-), proceed to XXXVIII A]
- e. (Is the patient disoriented in time?)
 [If "yes," stop (+), proceed to XXXVIII A; if "no,"
 proceed to "f"]
- f. (Is the patient disoriented in space?)
 [If "yes," stop (+), proceed to XXXVIII A; if "no," stop
 (-), proceed to XXXVIII A]

XXXVIII A (CLXXX) (110) INCOHERENCE

Mark "present," if the answer is "yes" to "b."

- a. (Is patient's speech incomprehensible?)
 [If "yes," proceed to "b," if "no," stop (-), proceed to XXXIX A]
- b. (Is the patient's thinking fragmented?)
 [If "yes," stop (+), proceed to XXXIX A; if "no," stop (-), proceed to XXXIX A]

XXXIX A (CLXXXI) (109) INAPPROPRIATE EMOTIONAL RESPONSE

Mark "present," if the answer is "yes" to "a."

- a. (Are the patient's emotional responses inappropriate
 during the interview?)
 [If "yes," stop (+); if "no," stop (-)]
