Curriculum Vitae – Part III
COMMUNITY AND PUBLIC SERVICE

Presentation of paper "Psychophysiologic Factors in the Etiology of Preeclampsia," American Psychosomatic Society, April 1964.

Grand Rounds, "Psychophysiologic Factors in the Etiology of Schizophrenia," to the Dept. of Psychiatry, Mt. Zion Hospital, San Francisco 1964.

Grand Rounds, "Psychophysiologic Factors in the Etiology of Schizophrenia," to the Dept. of Obstetrics and Gynecology, Mt. Zion Hospital, 1964.

Presentation of paper, "Mood and Behavioral Changes Associated with the Use of the Oral Contraceptive Agents: A Review of the Literature," Eighth Annual Psychiatric Research Society Meeting, 1965.

Presentation of paper, "The 'Sick' Family and Schizophrenia - Cause and Effect?" to the Tenth Annual Psychiatric Research Society Meeting, Cincinnati, 1967.

Institute Leader, "Family Dynamics and Treatment," Annual Meeting, Georgia Branch, National Association of Social Workers, February 1967.

Invited Lecture, "The Place of Occupational Therapy in Clinical Psychiatric Treatment," Georgia Occupational Therapy Association, 1967.

Institute Leader on "Family Therapy and Hospital Psychiatry," at Columbia, S.C., VA Hospital September 1967

Invited Lecture, on "The School and the Family," to the Annual Meeting of the Georgia Association of Visiting Teachers, Augusta, Georgia, November 1967.

Seminar Leader on "Family Therapy," at Macon, Ga., Mental Health Clinic, Macon, Ga., November 1967.

Invited Address, "The Changing Role of the Family," Unitarian Fellowship, Augusta, Ga., December 1967.

Invited Lecture, "Basic Clinical Psychiatry" to Psychology Students, Paine College, Augusta, Ga., (Jan)1968.

Lecture and Panel Discussion, "The Role of the Clergy in Family Counseling, at a seminar on Family Counseling, Augusta, Ga., February 1968.

Address, "The Family and Southern Society," to First Mt. Moriah Baptist Church, Augusta, Ga., April 1968.

Film Presentation: Videotape Playback in Family Therapy (with G. Marshall) 16mm. B & W 10 min. Presented at the 1968 annual meeting, American Psychiatric Association, Boston, Mass. May 16, 1968

Grand Rounds, "Mood and Behavioral Changes Associated with Use of Oral Contraceptives," OBGYN, University of California, San Francisco, September 1968.

Participant, panel on Training of Family Therapists, Don D. Jackson Memorial Family Conference, Asilomar, California, February 1969.

Lecture on "Current Status of Family Therapy," given to Association of Family Therapists, San Francisco, 3/69.

Film and Seminar Discussion on "An Introduction to Family Therapy," given at the Clinical Seminar Series, Langley Porter Neuropsychiatric Institute, Psychology Dept., March 1969.

Ira D. Glick, M.D.

Two-Day Seminar on Current Developments in Psychiatry given at Dept. of Psychiatry, Medical College of Georgia, May 1969.

Film "Family Therapy: An Introduction," presented at the Annual Meeting, American Psychiatric Association, Miami Beach, Fla., May 1969.

Discussion of paper entitled "Psychosexual Responses to Ileostomy and Colostomy" at American Psychiatric Association Meeting, Miami Beach, Fla., 1969.

Film "Family Therapy: An Introduction," shown at Staff Meeting, Mental Research at Ninth Western Divisional Meeting 1969, of Western Psychiatric Association, Seattle, August 1969.

Moderator of Panel on Family Therapy: Rationale, Methods, Teaching and Research at Ninth Western Divisional Meeting 1969, of Western Psychiatric Association, Seattle, August 1969.

Discussion of Paper, "The Psychiatrist as Counselor and Friend to the Family," by Herbert C. Wimberger, MD, at Ninth Western Divisional Meeting, Western Psychiatric Association, Seattle, August 1969.

Abstracts Editor, Family Process, July 1964-78.

Participant in CBS News Reports Program titled "The Pill," KPIX, February 1970.

Participant on Panel: "Therapists and Families," American Orthopsychiatric Association 47th Annual Meeting in San Francisco, March 1970.

Lecture on "Issues in Family Therapy Training," presented to Interdisciplinary Training Program Seminar, Napa State Hospital, May 1970.

Moderator of Panel, "Issues in Training of Family Therapists," American Psychiatric Association Annual Meeting, May 1970.

Discussion Leader, NIMH Career Teachers in Psychiatry Meeting, Boston, October, 1971

Participant In Panel, "Emotional Problems of Psychiatric Residents," American Psychiatric Association Annual Meeting, May, 1972.

Presentation of paper entitled "Management of Psychoses Associated with Dialysis," American Psychiatric Association Annual Meeting, May 1972.

Regional Coordinator, "The Psychiatrist as Teacher," for the National Conference on Teaching Psychiatry, one-day regional meeting held at San Francisco, May 1972.

Presentation of Paper and Participant on Panel, "Stress Events & Psychiatric Illness," at the Symposium "Stress: Its Impact on Thought and Emotion," University of California at San Francisco, June 1972

Group Leader, Regional Coordinator, and Presentation at "Free University" of film on Family Therapy at the national conference, "The Psychiatrist as a Teacher." Airlie House, October 3-6, 1972.

Lecture, "Transference and Countertransference," to Graduate Psychiatric Nursing Students, University of California, San Francisco, November 1972.

Resource Teacher in Section on "University Dept. of Psychiatry" at the First National Conference on Training in Family Therapy, Philadelphia, November 30 - December 2, 1972.

Lecture, "Depression," presented as part of a section entitled "Dilemmas in Therapy" as part of the 23rd Annual Course for Physicians in General Practice, Mt. Zion Hospital and Medical Center, February 1973.

Presentation of paper, "Short vs. Long Hospitalization: A Prospective Controlled Study -- Preliminary Results of a One-Year Follow-up of Schizophrenics," Research Seminar, Dept. of Psychiatry, Mt. Zion Hospital, April 1973.

Presentation of paper, "Short vs. Long Hospitalization: A Prospective Controlled Study -- Preliminary Results of a One-Year Follow-up of Schizophrenics," at the Annual Meeting, American Psychiatric Association, Honolulu, Hawaii, May, 1973.

Presentation of paper, "Indications and Relative Contraindications for Family Treatment, Circa 1973," at the San Francisco Family Forum, San Francisco General Hospital, January 10, 1974.

Presentation of paper, "Treatment and Outcome in Schizophrenia," at the Merger Celebration in Honor of the Merger of Langley Porter Neuropsychiatric Institute with University of California, San Francisco, February, 1974.

Presentation of paper, "Indications and Contraindications for Family Therapy," at the Nathan W. Ackerman Memorial Conference, Venezuela, February, 1974.

Film presentation, "Family Therapy: An Introduction:"

1971:	12 showings	1972:	8 showings
1973:	8 showings	1974:	6 showings

Discussant, Conference, "Lithium: Its Role in Manic-Depressive Illness," Chief's Conference, Dept. of Psychiatry, Mt. Zion Hospital, San Francisco, March 12, 1974.

Presentation of paper, "Short Versus Long Psychiatric Hospitalization for Schizophrenia - Preliminary Results, One Year Followup," Noon Conference, Langley Porter Neuropsychiatric Institute, San Francisco, 3/74.

Presentation of paper, "Mood and Behavioral Changes Associated with the Use of Oral Contraceptives," 1st World Congress of Biological Psychiatry, Buenos Aires, Argentina, September, 1974.

Presentation of paper, "Short Versus Long Psychiatric Hospitalization: A Controlled Study," Dept. of Psychiatry Grand Rounds, Cornell University Medical College, New York, NY, November 1974.

Presentation of paper, "Short Versus Long Psychiatric Hospitalization: A Controlled Study," SUNY, Downstate Medical Center, New York, NY, November 1974.

Coordinator, "The Role of the Family in Medical Practice," Third National Workshop on Psychiatric Education, Association for Academic Psychiatry, Chicago, Illinois, November 1974.

Presentation of paper, "Short Versus Long Hospitalization - A Prospective Controlled Study: One Year Followup Results," Section on Interaction of Drugs and Nonsomatic Therapies, American College of Neuropsychopharmacology, Puerto Rico, December 1974.

Presentation of paper, "Short Versus Long Hospitalization: A Prospective Controlled Study. IV-A. One Year Followup Results for Schizophrenics," Research Conference, Dept. of Psychiatry, Mt. Zion Medical Center, San Francisco, February 18, 1975.

Panel Discussant, "The Treatment of Schizophrenia at Langley Porter Institute," Noon Conference, Langley Porter Institute, San Francisco, April 30, 1975.

Panel Moderator, "Controlled Studies of Alternative Lengths of Hospitalization for Psychiatric Illness," presented at the 1975 Annual Meeting, American Psychiatric Association, Anaheim, California, May 1975.

Ira D. Glick, M.D.

Presentation of paper, "Short Versus Long Hospitalization: A Prospective Controlled Study. IV. One Year Followup Results for Schizophrenics," American Psychiatric Association Annual Meeting, Anaheim, CA, 5/75.

Radio presentation, "Loxitane in Schizophrenia," CBS Radio Network, July 12 and 13, 1975.

Discussant, "Conceptual Approaches to Schizophrenic Disorder," Grand Rounds, Dept. of Psychiatry, University of California, San Francisco, September 22, 1975.

Discussant, "Depression in Medical Practice," Grand Rounds, Dept. of Medicine, University of California, San Francisco, September 23, 1975.

Presentation of paper, "Short Versus Long Hospitalization: A Prospective Controlled Study. II. Results for Schizophrenic Inpatients," Langley Porter Institute weekly research staff conference, October 10, 1975.

Panelist, "Can a Psychiatric Hospital Survive Mental Health and Marijuana?" Grand Rounds, Dept. of Psychiatry, UCSF, November 18 and 25, 1975.

Seminar Leader, "Issues in Family Therapy," California Branch District Meeting American Psychiatric Association Conference, Palm Springs, November 1975.

Presentation of paper, "Short Versus Long Psychiatric Hospitalization: A Controlled Study. Medication and Outcome for Schizophrenics," American College of Neuropsychopharmacology, Puerto Rico, December 1975.

Exhibit, entitled "A Teaching Package for a Preclinical Psychiatry Course," 30th All-University Faculty Conference, University of California, Santa Barbara, March 25-27, 1976.

Discussant and Presentation of paper, "Short Versus Long Psychiatric Hospitalization," as part of a symposium: "A Critical Appraisal of Community Psychiatry," Kittay Scientific Foundation, NY, 3/76.

Presentation of paper, "Controversial Premises of Marital and Family Therapy," (with David R. Kessler, MD) for the San Francisco Family Forum, Family Health Center, San Francisco General Hospital, April 15, 1976.

Presentation and Discussion, "Short Versus Long Psychiatric Hospitalization: A Controlled Study, Two Year Results," Grand Rounds, Dept. of Psychiatry, UCSF, April 20, 1976.

Panelist, "Schizophrenia -- Which Treatment and For Whom," 1976 Annual Meeting, American Psychiatric Association, Miami, May 1976.

Panelist, "What Makes Medical Students So Difficult To Teach?" 1976 Annual Meeting, American Psychiatric Association, Miami, May 1976.

Panelist, "Controversies in Psychiatric Education," 1976 Annual Meeting, American Psychiatric Association, Miami, May 1976.

Presentation of paper, "Increasing Learning During the Psychiatric Residency," (with Leon Epstein, MD) 1976 Annual Meeting, American Psychiatric Association, Miami, May 1976.

Presentation of paper, "Indications and Contraindications for Family Therapy; Changing Concepts," Psychiatry Grand Rounds, Dept. of Psychiatry, School of Medicine, U.C. Davis, September 1976.

Presentation of paper, "Short Versus Long Psychiatric Hospitalization: A Controlled Study: Two Year Results," Dept. of Psychiatry, Mt. Sinai School of Medicine, New York, September 1976.

Presentation of paper, "Short Versus Long Psychiatric Hospitalization: Final Results and Treatment Implications," Dept. of Psychiatry, Mt. Zion Hospital and Medical Center, San Francisco, October 1976.

Ira D. Glick, M.D.

Keynote Speaker, "Short-Term Intensive Psychiatric Hospital Treatment: Which Treatment and for Whom?" National Conference on Short-Term Intensive Psychiatric Hospital Treatment, Scottsdale, AZ, 11/76

Panel Moderator, "Treating the Impaired Physician: Confidentiality vs. Responsibility," presented at the 1976 Annual Meeting, Association of American Medical Colleges, San Francisco, November 1976.

Examiner, American Board of Psychiatry and Neurology, Seattle, February 1977.

Special Lecture, "A Teaching Package for a Preclinical Psychiatry Course," Dept. of Psychiatry, College of Physicians and Surgeons, Columbia University, New York, February 1977.

Presentation of paper, "Short Versus Long Psychiatric Hospitalization: A Controlled Study," Grand Rounds, Dept. of Psychiatry, University of New Mexico, Albuquerque, New Mexico, March 1977.

Presentation of paper, "Indications and Contraindications for Family Therapy," Grand Rounds, Veterans Administration Hospital, Albuquerque, New Mexico, March 1977.

Referee, Journal of Nervous and Mental Diseases, Archives of General Psychiatry, American Journal of Psychiatry, and Family Process. Hospital and Community Psychiatry.

Presentation of paper, "The Architectural Design of a Psychotherapeutic Milieu," 1977 Annual Meeting of the American Psychiatric Association, Toronto, Canada, May 1977.

Panelist, "New Directions in Family Research: Ritual, Real Time and Images," 1977 Annual Meeting of the American Psychiatric Association, Toronto, Canada, May 1977.

Panel Moderator, "Schizophrenia - Which Treatment and For Whom?," 1977 Annual Meeting of the American Psychiatric Association, Toronto, Canada, May 1977.

Panelist and Discussion Group Leader, at conference entitled "Families In Contemporary America: Varieties of Form, Function and Experience," jointly sponsored by the Dept. of Psychiatry and Behavioral Sciences of the George Washington University School of Medicine and the Center for Continuing Education in Mental Health of the Psychiatric Institute Foundation, Washington, D.C., June 1977.

Television Presentation, Role of Clinical Psychiatry - on "The Hidden Universe" - ABC National Television Documentary, June 1977.

Presentation of paper, "Short Versus Long Psychiatric Hospitalization," World Psychiatric Association, Honolulu, August 1977.

Presentation of paper, "Indications and Contraindications for Family Therapy," as part of an invited seminar on Family Therapy, World Psychiatric Association, Honolulu, August 1977.

Advisory Editorial Board Member, International Journal of Family Therapy, as of September 1977. Psychiatric Quarterly, 1980.

Discussant, "The Premenstrum: A Psychological Investigation," Grand Rounds, Dept. of Psychiatry, University of California, San Francisco, November 22, 1977.

Presentation of paper, "Development of a Curriculum and of a Faculty for Medical Student Education in Psychiatry," The Annual Meeting of the Association of Academic Psychiatry, New Orleans, January 1978.

Presentation of paper, "A New Drug Treatment for Premenstrual Psychosis," Poster Session, The Annual Meeting of the American Psychiatric Association, Atlanta, Georgia, May 1978.

Organizer, Special Session, "Treating the Impaired Physician: Confidentiality and Responsibility," The Annual Meeting of the American Psychiatric Association, Atlanta, Georgia, May 1978.

Presentation of paper, "Hospitals in the 1980s: Service, Training and Research," Presented as part of the Special Session, "Hospital Treatment of Emotional Disorders: Circa, 1978, at the Annual Meeting of the American Psychiatric Association, Atlanta, Georgia, May 1978.

Lecture and Discussion, "Indications and Contraindications for Family Therapy: Circa, 1978," at Grand Rounds, Dept. of Psychiatry, The New York Hospital-Cornell University Medical College, May 17, 1978.

Presentation of paper, "Research in Occupational Therapy," at a Conference entitled, "A Revitalization Movement within Occupational Therapy" sponsored by Metropolitan New York District, New York State Occupational Therapy Association. May 1978.

Presentation and Discussion, "Family Therapy & Crisis/Loss," Memorial Hospital, New York, November 2, 1978.

Presentation and Discussion, "The Hospital Management of the Suicidal Patient," at a Symposium: "The Suicidal Patient: Identification and Treatment," sponsored by Dept. of Psychiatry, Albany Medical College, March 28, 1979, Albany, New York.

Presentation and Discussion, "Psychiatric Problems in General Practice," as part of a Symposium: "Common Medical Problems in Office Practice," sponsored by the Continuing Education Committee of St. Vincent's Hospital, Santa Fe, N.M., March 30, 1979.

Presentation and Discussion, "Effects of Divorce on the Family," as part of a Symposium, "Divorce and the Patient," Sponsored by Continuing Education Committee of St. Vincent's Hospital, Santa Fe, N.M., 3/79.

Presentation of paper, "Short Versus Long Psychiatric Hospitalization: A Controlled Study -- Final Results," Grand Rounds, McLean Hospital, Boston, Massachusetts, April 1979.

Presentation of paper, "A New Drug Treatment for Premenstrual Exacerbation of Schizophrenia" at Harvard Medical School, Dept. of Psychiatry, Boston, Massachusetts, April 1979.

Presentation of paper, "The Physician's Family: Approach to Impairment," as part of a Symposium, "The Impaired Physician: Prevention and Treatment," at the Annual Meeting, American Psychiatric Association, Chicago, May 1979.

Discussant, "Psychotherapy Supervision," at the American Psychiatric Association's Annual Meeting, Chicago, May 1979.

Presentation, "Short Hospital Stay is Better than Long Hospital Stay?" "Pro Position" at the 31st Institute on Hospital and Community Psychiatry, September 3-6, 1979, New Orleans.

Presentation, "Future Directions in Hospital Psychiatry," keynote speech, Dept. of Psychiatry, at Alumni Teaching Day, Long Island Jewish-Hillside Medical Center, Glen Oaks, New York, September 1979.

Grand Rounds, "The Family Model in an Inpatient Setting," Dept. of Psychiatry, North Shore Hospital, Manhasset, New York, October 1979.

Grand Rounds, "The Family Model in an Inpatient Setting," Dept. of Psychiatry, Albert Einstein College of Medicine, New York, NY, October 1979.

Grand Rounds, "Family Therapy -- Indications and Contraindications," Dept. of Psychiatry, City Hospital Center at Elmhurst, October 1979.

Ira D. Glick, M.D.

Grand Rounds, "Psychiatric Hospitalization for the 1980s: A Controlled Study of Short Versus Long Hospitalization, Final Results," Dept. of Psychiatry, Cornell University Medical College, April 1980.

Invited Paper, "Psychiatric Aspects of Basketball," *Psychiatric Annals* Volume 10, Number 3:108-112, 1980.

Organizer of Continuing Medical Education Seminar, titled, "Hospital Treatment: Which Treatment and How Long for Which Patients?" Cornell University Medical College, Dept. of Psychiatry, April 1980.

Presentation on "The Role of Psychoanalysis in Family Therapy," as part of a Continuing Medical Education Course entitled, "The Role of Psychoanalysis in Contemporary Psychiatry," at Cornell University Medical College, Spring, 1980.

Discussant for Symposium, "Enhancing Treatment Compliance," at the Annual Meeting of the American Psychiatric Association, San Francisco, 1980.

Presentation on "Leadership in the Hospital," as part of a Course on "Leadership," at the Annual Meeting of the American Psychiatric Association, San Francisco, 1980.

Presentation on "Family Therapy and the Treatment of the Child" at the weekly Child-Adolescence Staff Meeting, Dept. of Child Psychiatry, Mt. Sinai Hospital, November 1980.

Participant, on Radio Program, "Conference Call: Parents & Children, WABC, November 30, 1980, New York.

Grand Rounds, "Psychiatric Hospitalization for the 80s," St. Joseph's Hospital and Medical Center, Paterson, New Jersey, February 1981.

Keynote Speaker, "Illness and the Impact on Family Systems," at a Symposium entitled "Illness and the Family," sponsored by La Tortuga & Sherman Clinic, Santa Fe, March 1981.

Presentation of paper, "Thinking Disorder in Depression: Longitudinal Results" (with Braff D, Griffin P), and "Outcome of Irregularly Discharged Mental Patients" (with Braff D, Johnson G), for the American Psychiatric Association Annual Meeting, New Orleans, May 1981.

Consultant for Departmental Planning, Dept. of Psychiatry, Mt. Zion Hospital, San Francisco, CA, June 1981.

Chapter Consultant, Family Therapy, American Psychiatric Assn. Commission on Psychiatric Therapies, 1981.

Grand Rounds, "Short Vs Long Hospitalization: Final Results," State University of New York, Syracuse, NY, 9 /81.

Grand Rounds, "Treating the Hospitalized Schizophrenic Patient and Family," Rockland Psychiatric Center, Orangeberg, New York, October 1981.

Presentation, "Short Versus Long Hospitalization for Schizophrenia," World Psychiatric Association/APA Regional Meeting, New York City, November 1981.

Chairman, Education Committee and session on the "Teaching of Psychopharmacology," Annual Meeting, American College of Neuropsychopharmacology, San Diego, December 1981.

Presentation, "The Family Model in an Inpatient Setting," Family Study Group, SUNY, Downstate Medical Center, January 1982.

Presentation of paper, "Duration of Hospitalization as a Variable in Outcome," (John F. Clarkin, PhD and Ira D. Glick, MD), The National Association of Private Psychiatric Hospitals, Scottsdale, Arizona, January 1982.

Ira D. Glick, M.D.

Panelist, "Family Therapy of Suicidal Behavior," Annual Meeting of Assn. of Suicidology, New York City, 4/82.

Presentation of paper, "Thought Disorder and Depression in Psychiatric Patients," (David L. Braff, MD and Ira D. Glick, MD) for the Western Psychological Association Annual Meeting, Sacramento, CA, April 1982.

Panelist, "The Widening Scope of Family Therapy," Annual Meeting of the American Psychiatric Association, Toronto, Canada, May 1982.

Presentation of paper, "Which Chronic Patients Mostly Need Readmission," (with Braff D, MD, Klar H, MD), for the Annual Meeting of the American Psychiatric Association, Toronto, Canada, May 1982.

Discussant, Conference on "The Changing American Family," The 67th Annual Seymour Silverberg Lecture, Long Island Jewish-Hillside Medical Center, June 1982.

Keynote Address, "Couples in the 1980s: Emerging Trends," Workshop on "Step-Parenting," and Panel Discussion - all at the Symposium, "Marital and Sexual Therapy," The Family and Couples Institute, The Dept. of Psychiatry, Tufts University School of Medicine, Boston, June 1982.

Presentation of Research Project, "Inpatient Family Intervention: A Controlled Study" and Presentation of "The Family Therapy Training Program at PWC" at the 1982 Annual Meeting, American Family Therapy Association, Boston, June 1982.

Invited Guest, Interviewed on topic of "Vacations & Couples," on Travel Talk, Dena Kaye, WMCA, NYC, 10/82.

Invited Lecturer, "The Changing American Family: Emerging Trends and Comparison with the Japanese Family," Dept. of Psychiatry, Juntendo University, Tokyo, October 1982.

Grand Rounds, "Toward the Definition and Delivery of Mental Health Care," Massachusetts Mental Health Center, Boston, October 1982.

Grand Rounds, "Guidelines for Family Therapy," Dept. of Psychiatry, Medical College of Georgia, 1/83.

Grand Rounds, "Guidelines for Family Therapy," Dept. of Psychiatry, Tulane University and Louisiana State University, February 1983.

Presentation of paper, "Teaching Investigative Psychiatry to Psychiatric Residents, a Sequential Curriculum: Everything You Wanted to Know About Research, But Were Afraid To Ask." Free University Presentation, at the Annual Meeting of the Association for Academic Psychiatry, Tampa, March 1983.

Presentation of paper, "A New Drug Treatment for Premenstrual Schizophrenia," at the Eleventh Annual Conference on Psychosomatic Obstetrics and Gynecology, Sugar Loaf, Temple University Conference Center, Philadelphia, March 1983.

Visiting Scholar, Dept. of Psychiatry, School of Medicine, University of Vermont, Burlington, March 1983.

Grand Rounds, "Psychiatric Hospitalization for the 1980s," Dept. of Psychiatry, School of Medicine, UCLA and Harbor Hospital, Los Angeles, April 1983.

Grand Rounds, "Toward the Definition and Delivery of Mental Health Services: Who Should Pay and for What?" Dept. of Psychiatry, UCSF, San Francisco, April 1983.

Invited Paper, "Treatment of Severe Premenstrual Syndrome (PMS) and Premenstrual Exacerbation of Psychiatric Disorder," Premenstrual Syndrome Workshop, co-sponsored by Center for Studies of Affective Disorder, Psychobiological Processes & Behavioral Medicine Section, Clinical Research Branch, and the Intramural Research Program, NIMH, April 1983.

Presentation, "Treatment of Dual Doctor Couples," as part of an APA Issue Workshop, "Dual Doctor Couples" at the Annual Meeting of the American Psychiatric Association, New York, May 1983.

Co-Chair and Presentation, "Overview" for Component Presentation, "Obstacles to Quality Clinical Systems," presented by APA Committee on Administrative Psychiatry, at the Annual Meeting of the American Psychiatric Association, New York, May 1983.

Presentation and Co-Moderator, APA Issue Workshop, "Family Therapy Training in Residency Programs," at the Annual Meeting of the American Psychiatric Association, New York, May 1983.

Presentation, "The Basics of Family Treatment" (with Henry Grunebaum, MD), as part of "Psychiatry Update," at the Annual Meeting of the American Psychiatric Association, New York, May 1983.

Presentation, "Review of Length of Stay Research," as part of a course, "Inpatient Treatment Programs: Programs: Acute and Long-Term," at the Annual Meeting of the American Psychiatric Association, NY, 5/83.

Presentation of paper, "The Importance of Thought Disorder in Depressives" (with David Braff, MD), at the Annual Meeting of the American Psychiatric Association, New York, May 1983.

Presentation of paper, "Inpatient Family Intervention: A Controlled Study," at the Annual Meeting of the American Psychiatric Association, New York, May 1983.

Presentation of Research Project, "Inpatient Family Interventions: A Controlled Study" and Presentation of "The Family Therapy Training Program at PWC" at the 1983 Annual Meeting, American Family Therapy Association, San Francisco, California, June 1983.

Grand Rounds, "Psychiatric Hospitalization for the 1980s," Bergen Pines County Hospital, Paramus, NJ. 6/83.

Presentation, "Inpatient Family Intervention: A Controlled Study," at the Annual Meeting of the American Psychological Association, Anaheim, California, August 1983.

Grand Rounds, "When Should the Chronic Patient be Hospitalized," Dept. of Psychiatry, St. Luke's/Roosevelt Hospital Center, New York, September 1983.

Distinguished Lecturer, "Doing Research Without Pain," University of Medicine and Dentistry of NJ, Newark. N J, 1983.

Lecture, "Diagnosis and Treatment of Depression," as part of a course, "Recent Advances in Medicine," Temple University School of Medicine, Philadelphia, November 1983.

Co-Chairman, ACNP Training Session, "Issues in Clinical Psychobiologic-Psychopharmacologic Research Training," Annual Meeting of the American College of Neuropsychopharmacology, San Juan, 1983.

Grand Rounds, "Toward the Definition of and Delivery of Mental Health Services - Who Should Pay and for What?" The New York Hospital-Cornell University Medical College, January 1984.

Grand Rounds, "The Changing Role of the Hospital in Treatment of the Chronic Patient," Roosevelt Hospital, New York, February 1984.

Invited Lecturer, "Focus on Family Psychotherapy Advances" and "Practical Office Psychotherapy," Winter Update, Dept. of Psychiatry, University of South Dakota, February 1984.

Free University Presentation, "Teaching Integration of Psychiatric Models to Residents," at the Annual Meeting of the Association of Academic Psychiatrists, Tampa, March 1984.

Grand Rounds, "Diagnosis and Treatment of Depression" at Grand Rounds, in Dept. of Psychiatry in 5 settings, 1983-84.

Grand Rounds, "Toward the Definition of and Delivery of Mental Health Services: Why Don't Patients Receive Appropriate Care?" Dept. of Psychiatry, Mt. Sinai, April 1984.

Invited Lecture, "Towards the Definition of and Delivery of Mental Health Services: Why Don't Patients Receive Appropriate Care?" Dept. of Psychiatry, The University of New Mexico, April 1984.

Grand Rounds, "Toward the Definition of and Delivery of Mental Health Services," Dept. of Psychiatry, College of Physicians and Surgeons of Columbia University, April 1984.

Grand Rounds, "Psychiatric Hospitalization for the 1980s," Dept. of Psychiatry, New York Medical College, Valhalla, New York and Metropolitan Hospital, New York City, May 1984.

At the Annual Meeting of the American Psychiatric Association, Los Angeles, May 1984:

Presentation, "Treatment of the Premenstrual Syndromes," as part of a Symposium, "Premenstrual Syndrome: Current Findings and Future Directions."

Faculty, "Short-Term Psychosocial Inpatient Treatment," as part of a Course, "Short-Term Psychiatric Treatment."

Leader of Discussion Group, "Delivering State-of-the-Art Multimodality Treatment."

Co-Chair and Presentation, "New Demographic Trends in American Marriage," (with Oliver Bjorksten, MD and Thomas Stewart, PhD), as part of a Symposium, "New Clinical Concepts in Marital Therapy."

Chairman and Presentation, "Inpatient Family Intervention: A Controlled Study, Preliminary Results," (with J. Clarkin, PhD, G. Haas, PhD, J. Spencer, MD, et al), as part of a Symposium, "Results of Family Treatment: Second Generation Studies."

Grand Rounds, "Is There Any Future for Long-Term Hospitalization?" Silver Hill Foundation, New Canaan, CT, June 1984.

Grand Rounds, "Which Chronic Patients Most Need Readmission?" Norristown State Hospital, 9/94.

Visiting Lecturer, "Why Don't Patients Receive Appropriate Psychiatric Treatment?" Dept. of Psychiatry, University of Chicago School of Medicine, September 1984.

Invited Lecturer, "Creativity and Madness," Annual Meeting, Louisiana Psychiatric Society, New Orleans, 9/84.

Invited Lecturer, "Guidelines for Family Therapy," Departments of Psychiatry, Tulane University and Louisiana State University, October 1984.

Presentation, "The Family Model and the Treatment of Affective Disorders," at Albert Einstein Medical Center, Northern Division, Philadelphia, October 24, 1984.

Grand Rounds, "Indications and Contraindications," Dept. of Psychiatry, Bronx Lebanon Hospital Center, 11/94.

Departmental Colloquia, "Why Don't Patients Receive Appropriate Psychiatric Treatment?" Dept. of Psychiatry, University of Pennsylvania, Philadelphia, Pa, December 1984.

Ira D. Glick, M.D.

Guest Speaker, "Trends in Marriage & Marital Therapy," South Jersey Psychiatric Society, Cherry Hill, N J, 12/84.

Co-Chair, ACNP Study Group, "Psychotropic Drug and Psychotherapy Interaction Research," Annual Meeting of the American College of Neuropsychopharmacology, San Juan, 1984.

Co-Chairman, ACNP Training Session, "Proposed Curriculum for Teaching Psychopharmacology," Annual Meeting of the American College of Neuropsychopharmacology, San Juan 1984.

Grand Rounds, "Guidelines for Marital and Family Therapy," Detroit Psychiatric Institute and Lafayette Clinic, Detroit, January 1985.

Continuing Education Workshop, "Family Therapy - Working with Couples," Dept. of Continuing Education, Harvard Medical School at New York City, January 1985.

Grand Rounds, "Why Don't Patient Receive Appropriate Psychiatric Treatment?" Dept. of Psychiatry, University of Utah, Salt Lake City, February 1985.

Grand Rounds, "Diagnosis and Treatment of Depression," Coney Island Hospital, New York, February 1985.

Grand Rounds, "Inpatient Family Intervention: A Controlled Study - Preliminary Results," University of California, San Francisco, February 1985.

Grand Rounds, "New Concepts About Inpatient Family Intervention for Psychiatric Disorders," Peninsula Hospital, Hillsdale, California and San Mateo Hospital, San Mateo, California, March 1985.

Grand Rounds, "New Concepts in Family Intervention in Chronic Mental Illness," Harlem Valley Psychiatric Center, Wingdale, New York, March 1985.

Grand Rounds, "Psychiatric Hospitalization for the 1980s: A Controlled Study of Short-Term Versus Long-Term Hospitalization," Duke University Medical Center, Durham, North Carolina, March 1985.

Invited Faculty, "The `Shrinking' of Inpatient Psychiatry: What To Do About Limited Hospital Stays" and Workshop, "Family Work on an Inpatient Unit," both as part of course at Harvard Medical School, Dept. of Continuing Education, Boston, March 1985.

Grand Rounds, "Recent Trends in Marriage and the Family: Effects on Therapy," Tufts-New England Medical Center, Boston, April 1985.

Grand Rounds, "The `Shrinking' of Hospital Psychiatry," Dept. of Psychiatry and the Behavioral Sciences, USC School of Medicine, Los Angeles, April 1985.

Grand Rounds, "Inpatient Family Intervention: A Controlled Study," The Medical College of Pennsylvania, Philadelphia, April 1985.

Grand Rounds, "The Family and Its Role in Diagnosis and Treatment of Depressive Disorder," Georgetown University School of Medicine, Washington, D.C., April 1985.

Grand Rounds, "Psychoeducation in a Hospital Setting," Silver Hill Hospital, Silver Hill, Connecticut, 5/85.

Grand Rounds, "Guidelines for Marital and Family Therapy: Circa 1985," Dept. of Psychiatry, Stanford Medical School, Palo Alto, California, May 1985.

At the Annual Meeting of the American Psychiatric Association, Dallas, May 1985:

Workshop, Presentation of "A Model Psychopharmacology Curriculum," (with David S. Janowsky, MD, Richard I. Shader, MD and Carl Salzman, MD)

Presentation, "The Family and Antidepressant Noncompliance" (with John Clarkin, PhD and Gretchen Haas, PhD) as part of a Symposium, "Resistance to Antidepressants: Psychosocial Factors"

Presentation, "Quality Treatment and Practitioner Competence" as part of a Symposium, "Evaluation of Knowledge and Practice in Psychiatry - Joint Session with the Association for Academic Psychiatry"

Study Group, "Residents with Marital Distress: The New Epidemic?"

Chairman and Presentation, "Inpatient Family Intervention: A Controlled Study," (with John Clarkin, PhD, Gretchen Haas, PhD, James H. Spencer, MD, Alfred Lewis, MD and Joanne Newman, M.S.W.) as part of a symposium "Results of Family Therapy Outcome Studies"

Faculty, "Short Term Psychosocial Inpatient Treatment," as part of a Course, "Short-Term Psychiatric Treatment"

Workshop, "Family Therapy, Severe Psychiatric Problems and the Psychiatric Hospital: Critical Issues at the Interface," as part of a series of workshops, "Family Therapy: The Master Therapists," sponsored by Dept. of Psychiatry, University of Connecticut School of Medicine, 6/85.

Grand Rounds, "Diagnosis and Treatment of Depression," Dept. of Psychiatry, Bowman Gray School of Medicine, Winston-Salem, North Carolina, August 1985.

Invited Address, "Survival for the Physician and the Family in the 1980s," Capital Medical Society, Tallahassee, Florida, August 1985.

Grand Rounds, "Indications and Contraindications for Family Therapy," Dept. of Psychiatry, Emory University, Atlanta, September, 1985.

Invited Presentation, "The Shrinking Of Hospital Psychiatry And What To Do About It," Annual Meeting, Hospital Corporation of America, Orlando, December 1985.

ACNP Poster Presentation, "Inpatient Family Intervention: The Patient, the Family and Compliance with Drug Treatment for Affective Disorders," December 1985.

Presentation of paper, "Inpatient Family Intervention: A Controlled Study" at the Annual Meeting of the American Psychiatric Association, Washington, D.C., May, 1986.

Invited Lecture, "The Family and Recent Developments in Psychiatry," Family Institute of Milan, Italy, 3/86.

Visiting Professor, "Family Therapy: Indications and Contraindications," Dept. of Psychiatry, School of Medicine and Surgery, University of Naples, Italy, May, 1986.

Grand Rounds, "The Patient, the Family and Psychiatric Hospitalization," Dept. of Psychiatry, Jefferson Medical College, Philadelphia, October, 1986.

Grand Rounds, "Psychiatric Hospitalization for the 1980's," Dept. of Psychiatry, Hahnemann University, Philadelphia, October, 1986.

Grand Rounds, "Treating the Family of the Hospitalized Patient, Is it Worth It?" North Shore University Hospital, New York, October, 1986.

Ira D. Glick, M.D.

Grand Rounds, "Combination Therapy: A Study of Inpatient Family Intervention," Westwood Lodge Hospital and Pembroke Hospital, Boston, October, 1986.

Grand Rounds, "Receiving Effective Psychiatric Treatment," Albert Einstein Medical Center, PA, 11/86.

Grand Rounds, "Working With The Family - Is It Worth It? A Controlled Clinical Trial of Inpatient Family Intervention", Dept. of Psychiatry, Cornell University Medical College and Payne Whitney Clinic, The New York Hospital, November, 1986.

Grand Rounds, "New Developments in the Treatment of Schizophrenia: Combining Drug and Family Therapy," Dept. of Psychiatry, Lincoln Hospital, New York, November, 1986.

Grand Rounds, "Psychosocial Interaction in the Treatment of Schizophrenia," Dept. of Psychiatry, Coney Island Hospital, Brooklyn, November, 1986.

At the Annual Meeting of the American College of Neuropsychopharmacology, Washington, D.C., 1986:

Co-Chair, ACNP Training Session, "Teaching Psychopharmacology in the 1990's"

Chair, Presentation of Paper, "The Teaching of Psychopharmacology in the United States"

ACNP Poster Presentation, "The Patient, the Family, and Compliance with Drug Treatment for Affective Disorders"

At the Annual Meeting of the American Psychiatric Association, Chicago, Illinois, May, 1987:

Presentation, "Inpatient Family Intervention for Affective Disorders" as part of a Symposium, "Depression and Families: Recent Advances"

Presentation, "Inpatient Family Intervention for Psychotic Disorders" as part of a Symposium, "Advances in Family Psychiatry"

Presentation, "Study Design Influences Generalizability of Result" as part of a Symposium, "Long- Term Treatment Strategies in Schizophrenia"

In Japan, lectures and other activities during sabbatical year, 1987:

- 1) New Directions in Family Therapy, School of Medicine, Kanazawa University, January.
- 2) Indications and Contraindications for Family Therapy, Kochi Medical School, Kochi City, Shikoko
- 3) The Psychoeducational Approach, Psychoanalytic Seminar, Keio University & Hospital
- 4) Indications and Contraindications for Family Therapy, Tokyo Community Counseling Service
- 5) The Family on the Move: Family Function and Problems, International School of the Sacred Heart, Tokyo, April.
- 6) Diagnosis and Therapy of Depression, Dept. of Psychiatry, Tokai University, April.
- 7) Psychoeducational Treatment in Psychiatry, Okayama Prefectorial Mental Hospital, April.
- 8) Indications and Contraindications for Family Therapy, Psychiatric Research Institute of Tokyo
- 9) Hasagawa Hospital - April-June
 - a. New Concepts in Treatment of Schizophrenia
 - b. Psychoeducational Treatment in a Hospital Setting
 - c. Diagnosis and Therapy of Depression
- 10) The Changing American Family, Continuing Education Course, Japan NIMH
- 11) Indications and Contraindications for Family Therapy, Dept. of Psychiatry, School of Medicine, Fukuoka University
- 12) Recent Trends in Treatment of Mental Patients, Dept. of Social Administration, Tokyo Metropolitan Hospital

- 13) Indications and Contraindications for Family Therapy, Tokyo Family Therapy Association
- 14) The Changing American Family, Emerging Trends and Comparisons with the Japanese Family, U.S. Information Service Seminar, Sapporo, Hokkaido
- 15) Combination Therapy in Modern Psychiatry, Keio Medical School
- 16) A Model Psychopharmacology Curriculum, Nihon University, Tokyo
- 17) The Changing American Family, Emerging Trends and Comparisons with the Japanese Family, U.S. Information Service Seminar, Tokyo
- 18) Featured Guest, The Changing American Family, Japanese-American Cultural Program, NHK - Educational TV
- 19) The Changing American Family, Emerging Trends and Comparisons with the Japanese Family, U.S. Information Service Seminar, Nagoya
- 20) A Study of the Quality of Psychiatric Care - Preliminary Results, Staff Conference, Japan NIMH

Research Conference, "A Controlled Study of Transitional Day Care for Non-Chronically Ill Patients," Dept. of Psychiatry, Cornell University Medical College and Payne Whitney Clinic, The New York Hospital, 9/87.

Grand Rounds, "Working with the Family of a Hospitalized Patient - Is It Worth It?" Dept. of Psychiatry, Brookdale Hospital, Brooklyn, New York, September, 1987.

Clinical Conference, Grady Memorial Hospital and Emory Medical School, Atlanta, Georgia, October, 1987.

Invited Lecture, "Recent Advances in Psychiatry: The Family and Family Therapy," Prasat Neurological Hospital, Bangkok, November, 1987.

Invited Lecture, "Recent Advances in the Treatment of the Psychoses," Dept. of Neurology & Psychiatry, Pra Mongkutklao Army Hospital, Bangkok, Thailand, November, 1987.

The Annual Meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico, 12/87:

Study Group - Drug & Psychosocial Therapy in Schizophrenia and Affective Disorders, Co-Chair with Nina Schooler, PhD

Presentation of Paper - Inpatient Family Intervention: Final Results for Schizophrenia and Affective Disorder

Grand Rounds, "New Therapies in Depression: Combining Drugs & Psychotherapy," Pacific Presbyterian Medical Center, San Francisco, January, 1988.

Guest Consultant, Biological Psychiatry Colloquium, "Clinical Management of a Treatment Resistant Patient with a Bipolar Compulsive Disorder," Pacific Presbyterian Medical Center, San Francisco, January, 1988.

Grand Rounds, "Inpatient Family Interventions for Psychotic Disorders," South Beach Psychiatric Center, Staten Island, New York, February, 1988.

Grand Rounds, "Inpatient Family Intervention: A Randomized Clinical Trial," Dept. of Psychiatry, Emory University School of Medicine, Atlanta, Georgia, February, 1988.

Presentation, "How to Teach Family Therapy and (Even, Sometimes) Succeed," (with Alan Manevitz, MD), Annual Meeting of the Association for Academic Psychiatry, Free University Section, Tampa, Florida, 3/88.

Presentation & Workshop, "The Interface of Psychodynamic Psychotherapy and Psychopharmacology" 10th Annual Menninger Foundation Winter Conference, Park City, Utah, March, 1988:

Ira D. Glick, M.D.

The Annual Meeting of the American Psychiatric Association, Montreal, Canada, May, 1988:

Presentation, "The Family and Schizophrenia" as part of a Symposium, "Psychosocial Treatment of Schizophrenia" with James Spencer, MD, Gretchen Haas, PhD, John Clarkin, PhD, et al

Presentation, "Inpatient Family Intervention: Follow-up Results" as part of a Symposium, "Psychotherapy: Process and Outcome" with James Spencer, MD, Gretchen Haas, PhD, John Clarkin, PhD, Alfred Lewis, MD

Presentation, "Predictors of Early Stabilization in Schizophrenia" as part of a Symposium, "Long-term Treatment Issues in Schizophrenia" with Nina Schooler, PhD, Sam Keith, MD, Alan Balleck, MD, et al

The Annual Meeting of the Association for Clinical Psychosocial Research, Montreal, Canada, May, 1988:

Presentation, "Family Therapy Manuals: Treatment in Search of a Manual or Manuals in Search of a Treatment" as part of a Symposium on Psychotherapy Manuals, with John Clarkin, PhD and Gretchen Haas, PhD.

The Annual Meeting of the American Family Therapy Association, Montreal, Canada, June, 1988:

Presentation, "Inpatient Family Intervention: Final Results for Schizophrenia and Affective Disorder"

Plenary Session, "NIMH Update"

The Regional Symposium of the World Psychiatric Association, Washington, D.C., October 1988:

Presentation: "Developing an Effective Treatment Equation"

Presentation: "The Family Model and Schizophrenia"

Participant on Panel: "Mental Health and the News Media," The Fourth Annual Rosalynn Carter Symposium on Mental Health Policy, Atlanta, October 1988.

Keynote Speaker, "National Priorities in Mental Health Research," First Annual Kansas Scientific Symposium, Kansas City, October 1988.

Grand Rounds, "Family Therapy: Indications and Contraindications," Carrier Clinic, Princeton, NJ, 11/88.

Presentation: "The National Institute of Mental Health Public Academic Liaison Initiative," National Association of Social Workers 1988 Annual Conference, Philadelphia, Pennsylvania, November 1988.

Presentation: "Fostering Collaborative Research that Impacts the Administration of Public Mental Health Programs: The Federal Perspective." American Public Health Association, Boston, MA, November 1988.

The American College of Neuropharmacology (ACNP) 27th Annual Meeting, San Juan, Puerto Rico, 12/88:

Presentation of paper for the TSS Collaborative Study Group, "Depressive Symptomatology, Negative Symptoms and Extrapyrimal Symptoms (EPS) in Acute Treatment Response and Short Term Outcome," as part of a symposium, Acute Treatment Response and Short Term Outcome in Schizophrenia"

Poster with the IFI Research Group, "Working with the Family to Improve Medication Compliance"

Keynote Remarks, "The NIMH Program for 1989 and its Implications for Training." Annual Meeting of AADRPT, San Diego, California, January 1989.

Ira D. Glick, M.D.

Keynote Address, "NIMH Prospects and Promises," California Coalition for Mental Health, Los Angeles, California, January 1989.

Presentation of paper, "The Programs of the NIMH and Their Implications for Training," 1989 Annual Meeting of the Association for Academic Psychiatry, Atlanta, Georgia, March 1989.

Ground Rounds, "Among Doctors, Patients, and Family: Achieving Effective Treatment for Serious Mental Illness," Choche Hospital, San Mateo, California, April 1989.

Poster Presentation, "Depressive Symptomatology, Negative Symptoms and Extrapyrimal Symptoms (EMPS) in Acute Treatment Response and Short Term Outcome," International Congress on Schizophrenia Research, San Diego, California, April 1989.

At the Annual Meeting of the American Psychiatric Association, San Francisco, California, May 1989:

Workshop, Presentation of "The Family and DSM-IV: A Progress Report from the Group for the Advancement of Psychiatry" (with LC Wynne MD, L Combrinck-Graham MD, and AL Price MD)

Workshop Chairperson, Presentation of "Public/Academic Liaison: Can It Work?" (with SC Shulz MD, JD Burke MD, D Jones MSW, and GM Simpson MD)

Presentation, "Inpatient Family Intervention: Process Results" (with JF Clarkin PhD, JH Spencer MD, GL Haas PhD, and AB Lewis MD) as part of a Paper Session, "Family Therapy Strategies"

Co-author, "Sex Differences in Schizophrenia Outcome," (with GL Haas PhD, JF Clarkin PhD, and JH Spencer MD) as part of a Paper Session, "Schizophrenia Treatment Outcomes: New Consideration"

Co-author, "Social and Family Factors Predict Early Stabilization," (with NR Schooler PhD, JB Severe MS, SJ Keith MD, AS Bellack MD, WA Hargreaves PhD, JM Kane MD, and PT Ninan MD) as part of a Symposium, "Long-term Treatment Issues in Schizophrenia"

Presentation, "State/University Collaboration: The Public-Academic Liaison," National Conference on Mental Health Statistics, San Diego, California, June 1989

At the Eleventh Annual Meeting of the American Family Therapy Association, Colorado Springs, CO, 6/89

Chair, Interest Group, "Medications, Hospitalization and Family Systems"

Presentation, "The Family and Treatment of Depression"

Presentation, "NIMH Update"

Grand Rounds, "Family Intervention for Affective Disorders," Dept. of Psychiatry, Louisiana State University Medical Center, New Orleans, October 1989.

Invited Speaker, "The National Plan for Research to Improve Care of the Severely Mentally Ill," at a conference, "Privatization of Mental Health Care: A National Perspective," Center for Health and Human Resources Policy, JFK School of Government, Harvard University, Boston, Massachusetts, October 1989.

At the 1989 Institute on Hospital and Community Psychiatry of the American Psychiatric Association, Philadelphia, October 1989:

Lecture, "Update from the NIMH"

Ira D. Glick, M.D.

Workshop, "Follow-up Studies of Hospitalized Psychiatric Patients: Triumphs, Tragedies, and Surprises" (with Harding, CM)

Symposia, "Family Intervention and Psychiatric Hospitalization" (with Sholevar, GP)

Poster, "Improving Treatments for the Severely Mentally Ill - Implications of the Italian Psychiatric Reform"

Grand Rounds, "The Effectiveness of Treatment for Major Depressive Disorder One year Later," Jefferson Medical College, Philadelphia, November 1989.

Workshop, "Fundamentals of Mental Illness Research," National Mental Health Association Scientific Symposium, Washington, November 1989.

At the 1990 Annual Meeting of the ACNP, Maui, December 1989.

Study Group, "Public/Academic Liaison to Generate Psychopharmacology Research: Can it Work?" (Co-chair with Schulz S)

Open Session, "New Initiatives of the NIMH - the PAL Initiative"

Grand Rounds, "Working with the Family of the Hospitalized Patient: Is It Worth It Over the Long Run?" Holliswood Hospital, Queens NY, December 1989.

Presentation of Paper, "A Cross National Followup Study of the Treatment of Major Depressive Disorder," Annual Meeting Psychiatric Research Society, Park City, Utah, March 1990.

Grand Rounds, "Increasing the Effectiveness of Psychiatric Care: What Happens to Patients and Their Families After Hospitalization", Dept. of Psychiatry, University of North Carolina, Chapel Hill, April 1990.

At the 1990 Annual Meeting of the American Psychiatric Association, New York, May 1990:

Vestermark Award Session, "Overview of the Model Curriculum and a Follow Up Evaluation of its Usefulness," as part of the session, "The Teaching and Learning of Psychopharmacology in the 1990's: How to Jump in a Rapidly Moving Train"

A Workshop, "National Plan Research on Severely Mentally Ill" (with Burke, J)

Presentation, "Cross-National Study of Major Depressive Disorders." as part of Symposium, "Cultural Aspects of Depression in Asia and America"

Research Colloquia, "Drug and Family Treatment for Major Affective Disorder," Dept. of Psychiatry, University of Pennsylvania School of Medicine, May 1990.

Brief Presentation, "Making Inpatient Family Intervention Work," American Family Therapy Association, Philadelphia, June 1990.

Invited Presentation, "Implications of the Italian Reform for the Delivery of Mental Health Services in the U.S. and Canada," sponsored by British Columbia Mental Health Society, Vancouver, July, 1990

At the 7th Annual Scientific Symposium, National Mental Health Association, "New Findings & Practical Applications of Mental Health Research" Houston, Texas, 1990:

Workshop, "Fundamentals of Mental Illness Research"

Workshop, "Increasing the Effectiveness of Psychiatric Treatment."

Professional Symposium Series, "Psychoeducation for Patients and Families: What and How," Portsmouth Pavilion, Portsmouth, New Hampshire, September, 1991.

Grand Rounds, "Effectiveness for the Patient and Their Families of Psychiatric Care: A Cross-National Study of the Process of Treatment and Outcome of Major Depressive Disorder," Brookside Hospital, Nashua, New Hampshire, September, 1991.

Grand Rounds: "The Family and Affective Disorder: A Followup Study." Butler Hospital, Brown University School of Medicine, Providence, November 1990.

Grand Rounds: "Effectiveness of Inpatient Psychiatric Care: A Two Year Followup Study of Major Affective Disorder." Manhattan Psychiatric Center, New York, December 1990.

Grand Rounds, "Does Treatment Help? The Process of Hospital Treatment and Outcomes for Major Depressive Disorder." Dept. of Psychiatry, The New York Hospital-Cornell University Medical College, NY, 1/91.

Presentation, "A Model Curriculum in Psychopharmacology." Annual Meeting of the Association for Academic Psychiatry, Free University Section, Tampa, Florida, March, 1991.

Grand Rounds, "Increasing Effectiveness of Psychiatric Care: What Happens to Patients and Their Families After They Leave the Hospital." Dept. of Psychiatry, The New York Hospital-Cornell Medical College-Westchester Division, NY, March 1991.

Grand Rounds, "The Changing American Couple and Indications for Marital Therapy." State University of New York Health Science Center at Brooklyn, New York, April, 1991.

At the Annual Meeting of the American Psychiatric Association, New Orleans May 1991:

Presentation: "Family Outcome of Hospitalization for Mood Disorders" with Lorenzo Burti, MD, Kuninao Minakawa, MD, Michael Sacks, MD, Katsua Maehara, MD

Invited Lecture: "The Integration of Psychopharmacology with Psychosocial Therapies for Treatment of Psychoses" sponsored by The Bipolar Foundation, Buenos Aires, Argentina, July 1991.

Invited Lecture: "Psychoeducation as the Tool to Integrate Psychopharmacology with Psychosocial Therapies for Schizophrenia and Bipolar Disorder." sponsored by The Uruguayan Psychiatric Society, Montevideo, Uruguay, July 1991.

Invited Lecture: "Effectiveness in Psychiatric Care: A Followup Study of Major Affective Disorder." Dept. of Psychiatry, LSU, New Orleans, October 1991.

Clinical Research Award Address: "Effectiveness in Psychiatric Care: II. Outcome for the Family After Hospital Treatment for Major Affective Disorder." Annual Meeting of the American Academy of Clinical Psychiatrists, New Orleans, October 1991.

At the Annual Meeting of the American College of Neuropsychopharmacology, Puerto Rico, December 1991:

Study Group, "Maximizing the Effectiveness of Medication for Schizophrenia and Affective Disorder," Study Group organizer and Co-chair as well as Presenter (with four others)

Presentation, "Effectiveness of Psychiatric Care, A Followup Study of Psychopharmacologic Practices in Treatment of Major Affective Disorder." As part of a Symposium on Transcultural Psychopharmacology organized by T. Ital and N. Sartorius

Poster, "Increasing the Effectiveness of Psychiatric Care: Achieving Effective Medication Management" (with three others)

Grand Rounds, "The Changing American Couple and Indications for Marital Therapy." Coney Island Hospital, Brooklyn, New York, January, 1992

At the Annual Meeting of the American Psychiatric Association, Washington, D.C., May 1992:

Debate: Resolved: For Most Psychiatric Inpatients, a Ten Day Hospitalization is as Effective as a Longer Stay (with M. Herz, MD)

Paper: Increasing the Effectiveness of Treatment for Mood Disorder, as part of a symposium, The Family and Mood Disorder.

New Research Poster: "Psychoeducation For Mood Disorder" with Lorenzo Burti, MD, Keigo Okonogi, MD and Michael Sacks, MD.

Poster: "Achieving Effective Medication Management" with Lorenzo Burti, MD, Koji Suzuki, MD and Michael Sacks, MD, NCDEU Annual Meeting, Boca Raton, Florida, June 1992.

International Seminar: "Revamping of the Uruguayan Mental Health System: New Patterns of Care, Methods of Diagnosis and Treatment for Severe Mental Disorders" sponsored by the Uruguayan Psychiatric Association, World Association for Psychosocial Rehabilitation and the Republican National Bank, Director and Lecturer, Uruguay, June 1992 with John P. Docherty, MD.

Grand Rounds: "Alternative Treatments of Bipolar Disorder." Bronx State Psychiatric Center. NY9/92.

Grand Rounds: "Effectiveness in Psychiatric Care: A Follow-up Study of Hospitalized Patients with Major Affective Disorder." St. Vincent's Hospital and Medical Center. New York. September, 1992.

Grand Rounds, "Alternative Treatments of Bipolar Disorder." Bronx State Psychiatric Center, NY,9/92.

Invited Plenary Lectures: At the Fall Meeting, Louisiana Psychiatric Association, Destin, Florida, 1992:

- a) "Theoretical Background and Literature Underlying Psychopharmacotherapy and Marital/Family Therapy Combinations"
- b) "The New Algorithms for Combining Marital/Family Therapy with Drug and Other Psychotherapies"

Invited Lecture, "The Role of Psychotherapy in Combination with Pharmacotherapy," as part of a symposium, "Bipolar Disorder: Current Progress and Future Directions in Diagnosis and Management," sponsored by Stanford University School of Medicine, San Francisco, October, 1992.

Workshop, "The Millennium Has Arrived: Suggestions for a New Model of (and Research Questions about) Hospital Treatment of Psychiatric Disorders," Institute on H&CP, Toronto, October, 1992.

Grand Rounds, "Combining Medication and Psychosocial Strategies for the Treatment of the Major Psychoses." Stanford University Medical Center, Stanford, CA, November, 1992.

Grand Rounds, "Effectiveness in Psychiatric Care: What Happens to the Patient and Family After Hospitalization." Creedmoor Psychiatric Center, New York, December, 1992.

Ira D. Glick, M.D.

At the Annual Meeting of the American College of Neuropharmacology (ACNP), Puerto Rico, December 1992:

Paper, Treatment Strategies in Schizophrenia, (with 12 co-authors)

Invited Lecture: "Combining Treatments to Improve Outcomes: A Follow up Study of Major Affective Disorders in Italy, Japan and the United States." Bronx District Branch of the American Psychiatric Association, New York, March, 1993.

At the Annual Meeting of the American Psychiatric Association, San Francisco, May, 1993:

Invited Speaker for the Annual Review of Psychiatry Series, the Combined Treatments Symposium, Combining Medications with Family Psychotherapy (with Scott Goldsmith and John Clarkin)

Workshop, Medication and the Italian Reform (with L. Mosher, G. Palermo and A. Bartolomeis)

Lecture: "Increasing Effectiveness of Psychiatric Inpatient Care." Medical Staff, Dept. of Psychiatry, Stanford University Hospital, September, 1993.

Grand Rounds, "Effectiveness in Psychiatric Care." Dept. of Psychiatry, Bronx-Lebanon Hospital Center, Bronx, NY, November 1993.

At the Annual Meeting of the American College of Neuropharmacology (ACNP), Hawaii, December 1993:

Paper, Promising New Medications for Schizophrenia not Available in the U.S.A., (with five co-authors) as part of the European College of Neuropsychopharmacology panel, Are You Missing Anything? Recent Psychotropics Available in Europe, But Not in U.S.A. (Chair, Stuart Montgomery)

Poster, Promising Psychopharmacologic Medications not Available in the U.S.A. (with five co-authors)

Lecture: "Medication Combined With Couples Treatment" as part of a symposium, "Clinical Pharmacology: An Update", Stanford University School of Medicine, January, 1994.

Grand Rounds: "The Role of the Psychiatric Hospital in the 1990's," Langley Porter Psychiatric Institute, UCSF, San Francisco, March 1994.

Grand Rounds: "New Strategies for the Treatment of Acute and Chronic Schizophrenic." California Medical Facility, Vacaville, CA. April 1994.

Grand Rounds: "Atypical Antipsychotic Medications," Sacred Heart General Hospital, Eugene OR, April 1994

Invited Presentation: "A Cross Cultural Study of Treatment of Mood Disorders in Italy, Japan and the United States," The Northern California Psychiatric Society 1994 Annual Meeting, Olympic Valley, CA, April, 1994.

Lecture: "New Strategies for Treatment of Acute and Chronic Schizophrenia" as part of a symposium, New Approaches to Treating Schizophrenia. Stanford University School of Medicine, May 1994.

Paper: Psychiatric Aspects of Basketball Annual Meeting, International Society of Sports Psychiatry, Philadelphia, May 1994.

Poster: Efficacious and Safe Psychotropics Not Available in the US., 1994 Annual Meeting, Society of Biological Psychiatry, Philadelphia, May 1994.

Training Seminar: The Legal - Psychiatric Interface, for San Francisco, Santa Clara & San Mateo judges and other legal mental health professionals, San Jose, CA, August, 1994.

Ira D. Glick, M.D.

Keynote Address, "Combining Medication with Psychosocial and Rehabilitation Strategies in the '90s": sponsored by the Department of Psychiatry, University of Saskatchewan and the Department of Psychiatry, University of Alberta Hospitals, presented at Edmonton, Saskatchewan, and at Kingston, Canada, October, 1994.

Grand Rounds, "Combining Medications and Psychotherapy in the 1990's: Researching Clinical Issues". California Pacific Medical Center, San Francisco, October, 1994.

Grand Rounds, "Changing Models of Psychiatric Care: Psychiatric Hospitalization for the 90's." Chope Hospital & San Mateo Health Services Agency, San Mateo, CA, November, 1994.

Poster: "Current European Clinical Trials of Anti-Dementia Drugs," (with Shwartz GE, Montgomery S, Klein F) at the 1994 Annual Meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico, December, 1994.

Grand Rounds, "Combining Psychotherapy and Drugs in the 1990's." Department of Psychiatry, University of Arizona Health Sciences Center, Tucson, January, 1995.

Lecture: "Combining Psychotherapy & Pharmacotherapy" as part of the 1995 Annual Meeting of the American College of Psychiatrists, Acapulco, Mexico, February, 1995.

Grand Rounds, "Diagnosis and Treatment of Psychotic Disorders Related to Parturition" Department of Ob/Gyn, Stanford University School of Medicine, March, 1995.

At the Biannual International Congress on Schizophrenia Research (ICSR), Warm Springs, VA, May, 1995

Poster: Lithium Augmentation Fails to Reduce Symptoms in Poorly Responsive Schizophrenic Outpatients, (with Schultz SC, TSS Collaborative Study Group).

Poster: Promising Psychopharmacologic Medications Not Available in the USA, Glick, ID, (with Lecrubier Y, Montgomery S, Vinar O, Klein DF).

Clinical Update: "The Forces Forming Character," at the 1995 Annual Meeting of the Northern California Psychiatric Society, Pacific Grove, CA, April, 1995.

Keynote: "Combining Family Therapy with Medication for the Treatment of Axis I Disorders." as part of seminar, Effective Approaches: Working With Children, Adolescents and Their Families. Tender Lion Family Program, Family Service Agency of San Francisco, April 1995.

Grand Rounds: "New Strategies for Treating Schizophrenia," Eden Hospital, Castro Valley, CA, May, 1995.

Poster: "New Psychopharmacologic Strategies for Treatment," (with Braff D, Janowsky D) at the 1995 Annual Meeting of the Society for Biological Psychiatry, Miami, FL, May, 1995.

Grand Rounds: "The Effectiveness of Family Therapy for Inpatient Psychiatric Patients," Department of Psychiatry, School of Medicine, UC Davis, and Sacramento County Mental Health, Sacramento, November, 1995.

Grand Rounds: "Psychiatric Hospitalization for the 90's," Napa State Hospital, Napa, CA, December, 1995.

At the Annual Meeting of the American College of Neuropsychopharmacology (ACNP), Puerto Rico, December 1995.

Mentor: Travel Awardee.

Poster: New Treatment Strategies, (with Braff D, Janowsky D).

Poster: Treatment Outcomes of First Episode & Chronic Multiepisode Schizophrenia, (with Lieberman J, et al).

Study Group: A Psychopharmacologic Jam Session: A Dialogue on Tricks of the Trade, (with Janowsky D, Klein D, Schatzberg A)

Lecture: "Family Therapies: Efficacy, Indications and Therapy Outcomes." Annual Meeting of the American Psychopathological Association, New York, March, 1996.

Lecture: "Pharmacologic Treatment of Schizophrenia," at the 1st Stanford Review of Psychopharmacology Course, San Francisco, March, 1996.

Grand Rounds: "A Model Curriculum in Psychopharmacology for the 21st Century," San Mateo County General Hospital, San Mateo, March, 1996.

Grand Rounds: "Sertindole and New Antipsychotic Therapies for Schizophrenia," Atascadero State Hospital, Atascadero, CA, April, 1996.

Grand Rounds: "New Treatments and New Pharmacologic Strategies for Schizophrenia," Sutter Center for Psychiatry, Sacramento, CA, April, 1996.

Lecture: "Advancing the Treatment of Mania." Departments of Psychiatry, University of California, Irvine and University of Southern California, Los Angeles, CA, June, 1996.

At the Annual Meeting of the American Family Therapy Academy, San Francisco, June 1996.

Poster: "Inpatient Family Intervention: Final Results from a Controlled, Random-Assignment Study," (with three others).

Roundtable: "The Family Model and Psychiatric Illness."

Grand Rounds: "Combining Medication with Family Intervention for Axis I Disorders," Hackensack Hospital Medical Center, Hackensack, NJ, September, 1996.

International Congress: Schizophrenia: New Frontiers, Association for Research on Schizophrenia, Milan, October, 1996.

Keynote: "Family Associations and Family Therapy: From Conflict to Collaboration."

Workshop: "Psychoeducational Treatment of Schizophrenia: The Inpatient Family Intervention Study Experience"

Grand Rounds: "Treatment Strategies in Schizophrenia: Final Results," Stanford University School of Medicine, Department of Psychiatry and Behavioral Sciences, Stanford, CA, November, 1996.

Grand Rounds: "New Drugs and New Strategies in Schizophrenia," Menlo Park Veterans Administration Hospital and Palo Alto Veterans Administration Hospital, Menlo Park and Palo Alto, CA, November, 1996.

Grand Rounds: "Combining Medication with Psychotherapeutic Intervention," Dept. of Psychiatry, University of Miami School of Medicine, Miami, December, 1996.

Grand Rounds: "Atypical Antipsychotics & New Treatments/New Strategies for Schizophrenia"

- Kaiser Hospital, San Francisco, CA, November, 1996
- Central Missouri Psychiatric Society, St. Louis, MO, November, 1996
- Boone County Medical Society, MO, November, 1996
- Fulton State Hospital, Fulton, MO, November, 1996.
- Coutesville V-A Medical Center, Coutesville, PA, December, 1996
- Institute of Pennsylvania, Philadelphia, PA, December, 1996
- Arizona Alliance for the Mentally Ill, Phoenix, AZ, January, 1997
- Good Samaritan Regional Medical Center, Phoenix, AZ, January, 1997
- Porter Hospital, Denver, CO, January, 1997
- University of Colorado Health Sciences Center, Denver, CO, January, 1997
- First Hospital, Vallejo, CA, February, 1997
- Mercy Memorial Hospital, Ardmore, OK, March, 1997
- St Mary's Hospital, Colorado West Mental Health Meeting, Grand Junction, CO, April, 1997
- Lakeview Veterans Administration Hospital, Chicago, IL, June, 1997
- California Psychiatric Society South Coast Chapter, Santa Cruz, CA, July, 1997
- County of Santa Cruz Community Mental Health Services, Santa Cruz, CA, July, 1997
- Fulton State Hospital, Fulton, MO, August, 1997
- Department of Psychiatry, School of Medicine, University of Missouri, Columbia, MO, August, 1997

- Flower Hospital, Toledo, OH, September, 1997.
- International Health Care, Salt Lake City, UT, September, 1997.
- Napa State Hospital, Napa, CA, 1997.
- Sacred Heart Medical Center, Spokane, WA, October, 1997.
- John George Psychiatric Pavilion, San Leandro, CA, November, 1997.
- Tampa General Hospital, Tampa, FL, February, 1998.
- Florida Hospital, Orlando, FL, February, 1998.
- Peninsula Hospital, Burlingame, CA, January, 1999.

At the Annual Meeting of the American College of Neuropsychopharmacology (ACNP), Puerto Rico, December, 1996.

- Study Group: "A Psychopharmacologic Jam Session: Tricks of the Trade," moderator and participant.
- Poster: "New Psychotropic Drugs for Axis I Disorders: Recently Arrived, In Development, and Never Arrived" (with Belanoff J, Golden W).

Grand Rounds: "Inpatient Family Intervention: A Controlled Study," National University of Taiwan, Taipei, Taiwan, December, 1996.

Grand Rounds: "Combining Medication with Family Intervention for Axis I Disorders," Texas Tech Health Sciences Center, Amarillo, TX, January, 1997.

Medical Students' Forum: "Working With Families of Seriously Ill Patients," Texas Tech Health Sciences Center, Amarillo, TX, January, 1997.

Grand Rounds: "Combined Therapy for Treatment of Axis I Disorders," First Hospital Vallejo, Vallejo, CA, February, 1997.

Research Seminar: "Treatment Strategies in Schizophrenia: Final Results," Department of Psychiatry, College of Medicine, University of Iowa, Iowa City, IA, March, 1997.

Grand Rounds: "Combining Medicine in Psychosocial Intervention," Department of Psychiatry, College of Medicine, University of Iowa, Iowa City, IA, March, 1997.

Keynote: "New Developments in Antipsychotics," Western Colorado Psychiatric Meeting, Colorado Springs, CO, April, 1997.

International Congress on Schizophrenia Research, Colorado Springs, CO, April 1997.

Poster: New Psychotropic Drugs for Schizophrenia (with Belanoff J).

Grand Rounds: "Diagnosis and Treatment of Schizophrenia," St. Vincents Hospital, New York, NY, April 1997.

Invited Seminar: "New Treatments for Agitation and Aggression in Axis I Disorders," University of Medicine and Dentistry of New Jersey, Piscataway, NJ, April, 1997.

Lecture: "Current Concepts in the Treatment of Schizophrenia," Conference: Understanding and Treating Schizophrenia: Progressing into the Next Century, Ann Arbor, MI, April, 1997.

At the Annual Meeting of the American Psychiatric Association, San Diego, CA, May, 1997:

Paper: "New Strategies and New Treatments for Schizophrenia," (with Belanoff J and DeBattista C).

Paper: "The Professional Athlete as Role Model."

Poster: "The Teaching of Psychopharmacology in the 1990's," (with Klein D, Doraiswamy M, Lydiard B). NCDEU Annual Meeting, Boca Raton, FL, June, 1997.

Lecture: "Combining New Antipsychotics with Psychosocial Intervention in the 1990's," St. Lawrence Hospital, E. Lansing, MI, September, 1997.

Lecture: "Combining New Antipsychotics with Psychosocial Intervention in the 1990's," as part of the program, Contemporary Issues in Psychiatry. Huron Valley Center, Ypsilanti, MI, September, 1997.

Ira D. Glick, M.D.

Lecture: "New Treatment Approaches for Psychosis in the Elderly," Macomb Hospital, Detroit, September, 1997.

Grand Rounds: "New Treatments for Schizophrenia," Department of Psychiatry and Behavioral Sciences, University of Washington, Seattle, WA, October, 1997.

Grand Rounds: "New Treatments for Schizophrenia," Department of Psychiatry, School of Medicine, Indiana University, Indianapolis, IN, November, 1997.

At the 36th Annual Meeting of the American College of Neuropsychopharmacology (ACNP), Waikoloa, HI, December, 1997.

Poster: "The Teaching of Psychopharmacology in the 1990's," (with ASCP Committee)).

Poster: "Extrapyramidal Symptom Profile of Sertindole," (with L. Ramirez)

Continuing Education Update on Schizophrenia, for Neuroscience Regional Research Managers, Eli Lilly Co., at Stanford University School of Medicine, February, 1998.

Expert Breakout Session (Schizophrenia). Second Stanford Psychopharmacology Review Course. Stanford, CA, March, 1998.

Lecture: "New Treatments and New Strategies for Schizophrenia: New Data," West Coast College of Biological Psychiatry, Palo Alto, California, 1998.

Lecture: "Progress in Psychoses: Improving Treatment and Evaluation, Enhancing Cognition," Continuing Medical Education Seminar, Los Angeles, April, 1998.

Grand Rounds: "Combining Medication with Psychotherapy," Weber County Mental Health Center, Ogden, Utah, April, 1998.

Grand Rounds: "New Treatments and New Strategies for Schizophrenia," University of California at Irvine, Irvine, California, April 1998.

Grand Rounds: "New Treatments and New Strategies for Schizophrenia," Department of Psychiatry and Behavioral Sciences, Stanford University School of Medicine, Stanford, California, May 1998.

Grand Rounds: "Combining Medication and Psychotherapy for Psychiatric Disorder," North Shore University Hospital, Great Neck, New York, May 1998.

Grand Rounds: "Combining Medication with Psychotherapy," Department of Psychiatry, Wright State University School of Medicine, Dayton, Ohio, May, 1998.

Grand Rounds: "The Patient, the Family and Medication," Palo Alto and Menlo Park Veterans Administration, California, June, 1998.

At the Annual Meeting of the American Psychiatric Association, Toronto, May, 1998:

Industry Symposium: "New Atypical Antipsychotics: Data versus Clinical Experience,"

Chair and lecturer:

Lecture 1: "History of Somatic Therapy for Schizophrenia"

Lecture 2: "Combining Medication with New Antipsychotics"

Grand Rounds: "An Overlooked Serotonin Dopamine Blocker; Loxapine Revisited," Atascadero Forensic Center, Atascadero, California, September, 1998.

Grand Rounds: "New Atypical Antipsychotics," Department of Psychiatry, Louisiana State University, New Orleans, October, 1998.

Lecture: "Schizophrenia: Receptor Profiles & Efficacy," at the Continuing Education Seminar, Psychopharmacology 1998 Clinical and Research Update, sponsored by Department of Psychiatry, Stanford University and West Coast College of Biological Psychiatry, San Francisco, California, October, 1998.

Ira D. Glick, M.D.

Invited Lecturer: "Clinical Efficacy of Antipsychotics," at the World Psychiatric Association and the Mexican Psychiatric Association, Guadalajara, Jalisco, Mexico, October, 1998.

Invited Lecturer: "Combining Medication Therapy with Family Interventions," Bipolar Disorder Mini fellowship, Stanford University School of Medicine, Palo Alto, California, November, 1998

Grand Rounds: "Combining Medication with New Antipsychotics," Herrick Hospital, Berkeley, California, November, 1998.

Invited Lecturer: "A Model Curriculum in Psychopharmacology," Payne Whitney Clinic and Cornell University Medical College, New York, December, 1998.

At the Annual Meeting of the American College of Neuropsychopharmacology, Puerto Rico, December, 1998:

Study Group: A Psychopharmacological Jam Session: A Dialogue on Psychosis, (Moderator and Participant)

Poster: "New Psychotropic Drugs for Axis I Disorders; Recently Arrived, in Development and Never Arrived," (with JK Belanoff and JS Ballon).

Poster: "The Teaching of Psychopharmacology in the 1990's: The First Year Experience with the Model Curriculum," (with PM Doraiswamy, J Halper, DS Janowsky, DF Klein, RB Lydiard, J Oesterheld, DW Preven, P Ross, NG Ward and S Zisook).

Grand Rounds: "Combining Medication and Psychotherapy for Axis I Disorders," Dept. Psychiatry, College of Physicians and Surgeons and New York State Psychiatric Institute, New York, December, 1998.

Grand Rounds: "Combining Medications with Psychosocial Intervention for Axis I Disorders," Department of Psychiatry and Behavioral Sciences, Baylor College of Medicine, Houston, Texas, January, 1999.

Grand Rounds: "Combining Medications with Psychosocial Intervention for Axis I Disorders," Department of Psychiatry, University of Texas at Houston, March, 1999.

Symposium: "Teaching Biological Psychiatry to Residents, West Coast College of Biological Psychiatry, Tucson, April, 1999.

At the Biannual International Congress on Schizophrenia Research, Santa Fe, April, 1999:

Poster: "The Efficacy Spectrum for New Antipsychotics in Clinical Practice with S Marder, P Vasudevan.

Poster: "Comparisons of the Effects of the Newer Atypical Antipsychotics in the Treatment of Schizophrenia," with J Davis.

Grand Rounds: "Combining Drugs and Psychotherapy for Axis I Disorders." Department of Psychiatry, University of Mississippi Medical Center, Jackson, May, 1999.

At the Annual Meeting of the American Psychiatric Association, Washington DC, May, 1999:

Paper Presentation: "A Model Psychopharmacology Curriculum (with DF Klein and B Lydiard, et al)

Paper Presentation: "Keeping the Athlete Functioning," (with J Horsfall).

Invited Lectures: "The New Atypical Antipsychotics - Efficacy and Outcomes," delivered in May, 1999 at Departments of Psychiatry in Japan at:

- St Marianna University, Tokyo
- Hiroshima University, Hiroshima
- Kyorin University, Tokyo
- Fukushima Medical University (joint sponsorship with the Fukushima Medical Society), Fukushima

Invited Lecture: "Psychopharmacology in Psychiatry." Department of Psychiatry, University Hospital Utrecht, The Netherlands, August 1999.

Grand Rounds: "New Treatments for Psychoses." The Netherlands, August, 1999.

- Vincent van Gogh Hospital, Venray
- Delta Hospital, Portugal

Workshop: Annual Meeting of the Association for Academic Psychiatry, New Orleans, October, 1999.

- A Follow up Evaluation of a Model Curriculum in Psychopharmacology, 1999

Workshops: Northwest Medical Health Institute and Oregon Psychiatric Association, Gleneden Beach, Oregon, November, 1999.

- New Treatments for Psychosis in the Year 2000
- Combining Medication with Psychotherapy for Axis I Disorders

Grand Rounds: "Combining Medication with Psychotherapy for Axis I Disorders." Santa Barbara County CMHC, Santa Barbara, November, 1999.

Grand Rounds: "New Short and Long-term Strategies for Schizophrenia, Bipolar Disorder and Depressive Disorder." Department of Medicine, Stanford University School of Medicine, December, 1999.

Grand Rounds: "Teaching Psychopharmacology in the New Millennium." Department of Psychiatry, University of Hawaii at Manoa, December, 1999.

Study Group Presentation: "Clozapine Treatment Resistance: What Does it Mean? New Methodological Issues in the Study of Treatment Refractory Schizophrenia," at the Annual Meeting of the ACNP, Acapulco, Mexico, December, 1999.

Invited Lecture: "New Treatments and New Strategies for Psychosis for the Millennium," 2000 Annual Meeting of the Philippine Psychiatric Association, Iloilo, Philippines, January, 2000.

Grand Rounds: "Combining Medical and Psychosocial Interventions for Schizophrenia." Grand Rounds Presentation at Nihon University and Keio University, Tokyo, Japan, February, 2000.

Workshop: Organizer and Moderator, "Introduction to Neuropsychopharmacology: Pathophysiology to Clinical Practice." A Workshop for the Neurobiology Unit, Roche Bioscience. Palo Alto, CA, February, 2000.

Lectures:

- Overview of New Medication Strategies for Axis I Disorders
- Schizophrenia
- Clinical Trials Design (with Alan Schatzberg)

Invited Lecture: "Long Term Maintenance: Risperidol versus Haldol." In the symposium, "Psychosis: New Perspectives and Strategies," Monte Carlo, March, 2000.

Korea: April, 2000

- Grand Rounds: "Indications for New Antipsychotics," Seoul National University, Seoul.
- Invited Lecture: "New Treatments for Bipolar Disorders," Annual Meeting, Korean Psychopharmacology Association.
- "New Antipsychotics for Bipolar Disorder," Samsung Hospital, Seoul.
- Regional Symposium, Kyong-Ju, "New Antipsychotics for Bipolar Disorder."
- Regional Symposium, Kwang-Ju, "New Antipsychotics for Bipolar Disorder."

At the 2000 Annual Meeting of the American Psychiatric Association, Chicago, May, 2000.

- Industry-supported Symposium: New Antipsychotics: From Practice to Theory.
 - Co-chair and Paper, "The Efficacy Spectrum for Atypicals in Clinical Practice."
- Symposium: Psychopharmacological Approaches to the Athletic and Exercise Population.
 - Paper, "Diagnosis and Psychiatric Treatment of Athletes."
- Media Session: - Cultural Identity on the Tex Mex Border: Impact on Relationships Past and Present, discussion of movie, Lone Star, Chair and Presenter

Co-Chair, Forum, "The Future of Psychopharmacology: Generativity and Mentoring" at the NCDEU Annual Meeting, Boca Raton, May, 2000.

Grand Rounds: "Combining Medication with Psychotherapeutic Intervention for Axis I Disorders." Department of Psychiatry, University of California at San Diego, June, 2000.

Grand Rounds: "Atypical Antipsychotics." Alameda Center for Behavioral Healthcare, June, 2000.

Sabbatical, New Zealand and Australia, July-August, 2000

New Zealand

Grand Rounds, "New Treatments for Psychosis," Dept. Psychiatry, School of Medicine, Otago University, Dunedin, July, 2000.

Australia (August, 2000)

All "grand rounds" presentations or as "invited lecturer" for community mental health practitioners and students on 1) atypical antipsychotics, 2) combining medication with psychotherapy and/or 3) the teaching and learning of pharmacotherapy.

Brisbane

- Royal Brisbane Hospital
- Princess Alexandra Hospital
- Prince Charles Hospital
- Ipswich Hospital and Wolsten Park Hospital

Sydney

- Royal North Shore Hospital
- Macquarie Hospital
- Hornsby Hospital and Manley Hospital
- Cumberland Hospital
- Nepean Hospital
- St. Vincents Hospital

Melbourne

- Royal Melbourne Hospital
- St. Vincents Hospital
- Alford Hospital
- Teleconference: Hallarat, Bendigo, Hobart, Warrnambool and Trarigan Hospitals
- EPPIC Mental Health SKY Unit
- Round Table with Professors of Psychiatry, Victoria
- Plenary Lecture: New Trends in Treating Psychosis regional symposium

Adelaide

- Royal Adelaide Hospital, Glenside Campus
- Lecture, Southern Australian Psychiatrists

Perth

- Graylands Hospital
- Lectures, Psychiatrists both Southern and Northern regions
- Queen Elizabeth Hospital

Grand Rounds: "New Drugs for Brain Disorders." Department of Pharmacology and Toxicology, College of Pharmacy, University of Texas, Austin, September 2000.

Grand Rounds: "Combining Medication and Psychotherapy." Department of Psychiatry, University of Texas, San Antonio, September 2000.

Invited Speaker: "New Drugs for the Treatment of Psychoses." Central California Psychiatric Society, Fresno, September 2000.

Workshop: "The Nuts and Bolts of Psychiatric Course Planning in the New Millennium." 2000 Annual Meeting of the Association of Academic Psychiatry, Vancouver, October, 2000 (with Rona Hu).

Grand Rounds: "The New Atypical Antipsychotics." Western State Psychiatric Hospital, Seattle, November, 2000.

Invited Lecturers: US Psychiatric and Mental Health Congress, San Diego, November 2000

- "Combining Medication and Psychotherapeutic Intervention"
- "Diagnosis and Psychiatric Treatment of the Elite Athlete"

Grand Rounds: "Cutting Edge Inpatient Pharmacotherapy." San Mateo Community Mental Health Service. San Mateo, November 2000.

Postgraduate Education Seminar, for Lilly Pharmaceutical Co. (Japan). "Treatment of Psychosis in the New Millennium," Dec. 2000.

At the 2000 Annual Meeting of the ACNP, Puerto Rico, December, 2000

- Study Group: Comparing Antipsychotics: What Do We Really Know? Chair and Presenter; (with Rajiv Tandon, Moderator).
- Poster, A Model Psychopharmacology Curriculum (with the ASCP Committee)
- Poster, The Efficacy and Extrapyramidal Side Effects of the Atypical Antipsychotics (with J. Davis).

Grand Rounds: "New Antipsychotics – Controversies and Questions." Palo Alto Veterans Administration, Palo Alto, January 2001.

Invited Lecture: "Psychosis and Atypical Antipsychotics," at the conference "Psychopharmacology in the Year 2001," sponsored by the American Society of Clinical Psychopharmacology, Maui, February 2001.

Grand Rounds: "New Treatments for Psychosis." Maui Community Mental Health Center, Maui, February 2001.

Preceptor: "Update on Schizophrenia." Pfizer Preceptorship, Stanford, CA, February 2001.

Invited Lectures: Japan, March 2001

- "Combining Medication with Psychosocial Intervention for Treatment of Schizophrenia," at 1) Department of Psychiatry for School of Medicine, Hiroshima University, 2) at Kita-Kyusyu University, Kyushu, and 3) at the National Center of Neurology and Psychiatry (NCNP), Tokyo.
- "Atypical Antipsychotics," for the Department of Psychiatry, School of Medicine, Chiba University, Chiba.

Grand Rounds: "Long-term Treatment of Schizophrenia in the Community." Santa Maria County Mental Health Center, Santa Maria, CA, April 2001.

Lecture: "Treatment of Geriatric Psychosis." St Johns Medical Center, Oxnard, CA, April 2001.

Grand Rounds: "Atypical Antipsychotics." Santa Barbara College Hospital, Santa Barbara, CA, April 2001.

Invited Lecture: "Diagnosis and Management of Treatment-Resistant Schizophrenia," at the symposium, "Psychiatric Care in Community Residential Setting," sponsored by the Los Angeles County of Mental Health and the Southern California Psychiatric Society, Los Angeles, CA, April 2001.

At the 2001 Annual Meeting of the American Psychiatric Association, New Orleans, May, 2001.

- Chair, Industry Symposium, A New Era for Managing Psychosis: Rebuilding Lives for Patients and Families.
Paper, "Consumer Organizations May Improve Medication Compliance."
- Poster, "The Efficacy and Extrapyramidal Side Effects of the Atypical Antipsychotics," with Davis, J.
- Poster, "Ziprasidone's Benefits Versus Olanzapine on Weight and Insulin Resistance."
- Presentation, A Model Curriculum in Psychopharmacology, at the workshop, "Teaching Psychopharmacology to Residents Using Evidence-based Algorithms."

NCDEU 2001 Annual Meeting, Phoenix, May, 2001

- Poster, "The Efficacy and Extrapyramidal Side Effects of the Atypical Antipsychotics."
- Co-Chair, Workshop, "Mentoring Throughout the Professional Life Cycle: Challenges and Lessons" (with A. Gelenberg)

7th World Congress of Biological Psychiatry, Berlin, Germany, July 2001

- Poster, "Ziprasidone vs Olanzapine: Weight, Lipids, Insulin."

Grand Rounds: “New Antipsychotics: Ziprasidone.” Kaiser, Santa Teresa, San Jose, August 2001.

CME Lecture: “Schizophrenia: New Treatment Dimensions,” at the program, “Psychopharmacology Clinical and Research Update,” sponsored by the West Coast College of Biological Psychiatry, San Francisco, CA, October 2001.

Grand Rounds: “New Antipsychotics: Current Controversies.” Menlo Park Veteran’s Administration Hospital, Menlo Park, December, 2001.

At the 2001 Annual Meeting of the American College of Neuropsychopharmacology, Hawaii, December 2001.

- Chair, Special session, “Teaching Neuropsychopharmacology,” and presentation, “The Teaching of Psychopharmacology: Who Does It? With What Materials?”
- Poster, “Improving the Teaching of Psychopharmacology: Circa 2001,” (with D Janowsky and S Zisook).
- Poster, “The Efficacy of Atypical Antipsychotics Compared to Typical Antipsychotics: A Meta-Analysis Revisited,” (with N Chen and J Davis).

Lectures: “Current Controversies Around the New Atypical Antipsychotics,” at the Nevada Adult Mental Health Center, and the Psychiatry Dept., Nevada Dept. of Corrections, Reno, Nevada, Dec. 2001.

Grand Rounds: “Advancements in the Management of Schizophrenia.” Spokane Community Mental Health Center, January, 2002.

Grand Rounds: “Schizophrenia: The New Atypical Antipsychotics.” Dept. of Psychiatry, Oregon Health Sciences University, Portland, Oregon, January, 2002.

Grand Rounds: “New Data and New Indications for the Atypical Antipsychotics in Both Psychotic and Non-psychotic Disorders.” Department of Psychiatry and Behavioral Sciences, Stanford University School of Medicine, Stanford, CA, March, 2002.

Invited Lecture: “The Use of New Antipsychotic Agents to Treat Bipolar Disorder,” as part of a CME course on treating Bipolar Disorder. Department of Psychiatry, UC Davis, Sacramento, CA, March, 2002.

Grand Rounds: “Clinical Management of Psychosis: The Short- and the Long-term.” UCLA Neuropsychiatric Institute, Los Angeles, CA, April, 2002.

Grand Rounds: “Fiscal Pharmacology of the Atypical Antipsychotics.” Napa State Hospital, Napa CA, April, 2002.

CME Lecture: “Stabilizing the Dopamine-Serotonin System: A New Era in the Treatment of Psychosis.” San Diego, CA June, 2002.

Grand Rounds: “The Efficacy of Atypical Antipsychotics: A Meta-analysis Revisited.” Manhattan State Hospital, New York, New York, June 2002.

Sabbatical, Japan, July 2002

Plenary Lectures: “The New Atypicals: New Data and Controversies” at the symposium “Challenges and Opportunities in the Management of Schizophrenia,” Osaka and Tokyo, July, 2002.

Grand Rounds: “The New Atypicals: Challenges and Opportunities,” 1) Kyoto University, 2) Sapporo Medical School, 3) Tokushima Medical School and 4) Okayama International Hospital.

CME Lecture: “Borderline Personality Disorder, Medication and the Family.” Conference, on Borderline Personality Disorder, Research and Treatment, Stanford University Medical Center, September, 2002.

Grand Rounds: "The New Atypicals." Northwest Behavioral Healthcare, Department of Mental Health, Northfield, Ohio, September, 2002.

CME Lecture: "Novel Antipsychotics: What We've Learned; What We Need to Know." Case Western Reserve University School of Medicine, Cleveland, September, 2002.

CME Lecture: "New Steps in the Evolution of Antipsychotics: The Role of Partial Agonists," Sponsored by Bristol-Myers Squibb and Otsuka Pharmaceutical:
San Diego, June, 2002; San Francisco, September, 2002; New York City, September, 2002;
Seattle, March, 2003; Phoenix, April, 2003; Long Island, May, 2003.

Grand Rounds: "The New Atypicals." Metropolitan State Hospital, Los Angeles, Sept 2002.

Grand Rounds: "The New Atypicals." San Joaquin Community Mental Health Center, Fresno, September 2002.

Lecture: "Mental Illness and the Workplace." Section on Labor Law, Annual Meeting of the State Bar of California, Monterey, October 2002.

Grand Rounds: "The New Atypicals." San Francisco Veterans Administration Hospital, San Francisco, October 2002.

Grand Rounds: "Update on the Atypical Antipsychotics." Department of Psychiatry, University of California at San Diego, San Diego, October 2002.

Grand Rounds: "Aripiprazole and the New Antipsychotics." Mood Disorders Program, UCSF, San Francisco, November 2002.

CME Lecture: "The New Antipsychotics: Are There Differences?" First West Coast ASCP Psychopharmacology Symposium, San Francisco, November, 2002.

Lecture: "Aripiprazole Efficacy and Safety." Continuing Education Meeting, BMS, Laguna Niguel, CA November 2002.

Grand Rounds: "Second Generation Antipsychotics: New Data and New Dilemmas." Napa State Hospital, Napa, CA, December 2002.

At the 2002 Annual Meeting of the American College of Neuropsychopharmacology, Puerto Rico, December 2002:

- Chair, Second Annual Session on "Teaching Neuropsychopharmacology," and presentation of paper "The ASCP Model Psychopharmacology Curriculum: New Scope and New Audiences."
- Poster: "Concomitant Psychotropic Medication Use in a Two-Year Study Comparing Clozapine and Olanzapine for the Prevention of Suicidal Behavior."
- Poster: "A Meta-analysis of the Efficacy of Second-Generation Antipsychotics," (with John Davis)

National Teleconference: "Improving Outcome in Schizophrenia." Psychlink, Dallas, TX, January 2003.

Grand Rounds: "Update on Mood Disorders." Carlisle Hospital, Carlisle, PA, January 2003.

Public Lecture: "The Changing American Family: New Roles, Opportunities and Challenges for Men, Women and Children."
Dickinson College, Carlisle, PA, January 2003.

Lecture: "The New Atypicals and Treatment of Psychoses at the 2003 Biannual CME Conference." University of Wisconsin School of Medicine and Madison Institute of Medicine, Madison, WI, March 2003.

Plenary Lectures: Annual Meeting Central California Psychiatric Society, Monterey, CA, March 2003.

- “Combined Treatment of Axis I Disorders”
- “The New Atypicals”

Invited Lecture: “Recent Advances in Treatment of Schizophrenia.” Stanford University School of Medicine Seventh Psychopharmacology Course, Update in Psychopharmacology Clinical Case Conference, Stanford, March, 2003.

Poster: “The Efficacy of Atypical Antipsychotics Compared to Typical Antipsychotics: A Meta-Analysis.” (with N Chen and J Davis). International Congress of Schizophrenia Research, Colorado Springs, CO April, 2003.

Presentation: “Effectiveness of Aripiprazole.” Regional Advisory Council – Bristol Myers-Squibb, Phoenix, AZ, April, 2003.

Grand Rounds: “New Atypicals: New Medications and New Controversies.”

LSUHSC, Shreveport, LA
Baton Rouge CMHC, Baton Rouge, LA, April 2003

Grand Rounds: “Atypicals: New Drugs – New Controversies.” St. Peter Regional Treatment Center, St. Peter, MN, May 2003.

Invited Lecture: “Combining Medication with Psychotherapy.”

St. Luke’s Hospital, Dept. of Psychiatry, Racine, WI
Rogers Memorial Hospital, Dept. of Psychiatry, Milwaukee, MN, May 2003.

At the 2003 Annual Meeting of the American Psychiatric Association, San Francisco, May, 2003.

- Lecture, “Clinical Considerations in the Management of First-Episode and Acute Exacerbation of Schizophrenia,” as part of the industry-supported symposium, Managing the Spectrum of Psychotic Disorders.
- Discussion, as part of an Issue Workshop: Psychiatric Perspectives on the Execution Process: A Continuing Conundrum, with HJ Osofsky, RK Bailey, AM Freedman, AL Halpern, DM Mancuso
- Lecture: “Overview of the Efficacy of 2nd and 1st Generation Antipsychotics,” as part of an APA symposium, Meta-Analyses of the Efficacy of 2nd vs 1st-Generation Antipsychotics, chaired by ID Glick and JM Davis.
- Discussion, Efficacy of Atypicals in Acute Care Settings, as part of an industry-supported symposium, Best Practices in Antipsychotic Use.

Plenary Speaker: “Update on Care and Treatment of Schizophrenia. Southeast Regional Committee, National Alliance for the Mentally Ill, Pennsylvania Chapter. Norristown State Hospital, Norristown, PA, June 2003.

Grand Rounds: “Atypicals: New Drugs and New Controversies,” June 2003.

- Milwaukee Veterans Administration
- Milwaukee County Mental Health Clinic
- Winnebago Mental Health Clinic

Colloquium: “Recent Trends in the Development of Novel Antipsychotics.” Atascadero State Hospital, CA, July 2003.

Grand Rounds: “Combining Medication with Psychotherapy to Improve Compliance.” Santa Clara Valley Mental Health Center, August 2003.

Invited Lecture: “A Meta-analysis of Antipsychotic Medications – Are the Second-generation Agents Better than the First-generation Agents?” 1) Westchester Medical Center and 2) Rockland State Hospital, August, 2003.

Lecture Tour: “First vs Second Generation Antipsychotics: Efficacy and Use of Polypharmacy Strategies.”
Asahiyama, Tottari, Osaka, Fukuoka and Saga, Japan, September, 2003.

Grand Rounds: The New Atypical Antipsychotics, Phoenix, October 2003,

- Good Samaritan Hospital
- Phoenix V.A. Hospital

CME: “Management of Treatment Refractory Schizophrenia,” UC Davis and Sacramento County, September 2003.

Grand Rounds: “Use of Atypicals in Special Populations,” at the Medical College of Georgia and at Augusta VA Psychiatric Hospital, Augusta, GA, October, 2003.

Grand Rounds: “New Treatments for Psychosis,” at the Mayo Clinic, at the University of Minnesota Medical School and at Minneapolis VA Medical Center, October, 2003.

Grand Rounds: “New Treatment for Treatment Resistant Schizophrenia,” Kirby Forensic Psychiatric Center, New York City, November, 2003.

At the Annual Meeting of the American College of Neuropsychopharmacology, Puerto Rico, December 2003:

- Study Group Co-Chair, “New Comparative Studies of Antipsychotics: Evidence from Controlled Trials versus Clinical Practice” and presentation on Efficacy of Antipsychotics.
- Chair, Third Annual Session on “Teaching of Neuropsychopharmacology.”
- Poster: “Maintenance Therapy with Haloperidol Decanoate or Quetiapine.”
- Poster: “Issues Which May Determine Outcome of Antipsychotic Trials: Populations, Sponsorship, Design, etc.”
- Poster: “Update on Psychopharmacology Curriculums: Is There Any Relationship of Teaching to Clinical Practice?”

Grand Rounds: “A Meta-analysis of the Efficacy of Antipsychotics,” Harvard-Longwood Grand Rounds Services and Caritas St. Elizabeth’s Hospital Series, Boston, January 2004.

Invited Lectures, New Data, Treatments and Controversies about Schizophrenia and Psychosis, India, February, 2004.

- Goa Psychiatric Society
- Bombay “
- Calcutta “
- Gowati “
- Dehli “
- Kochin-Kerola “

Grand Rounds: “Combining Psychotherapy with Medication: Is It Helpful?” Kern Medical Center, Bakersfield, CA, April, 2004.

Invited Lecture: “Antipsychotics for Bipolar Disorder: Monotherapy an Adjunct?” Central California Psychiatric Society, Bakersfield, April, 2004.

At the Annual Meeting of the American Psychiatric Association, New York, May, 2004:

- Issue Workshop participant: “Evidence-based treatment for schizophrenia in a correctional setting.”
- Symposium discussant: “Personality disorders in the workplace.”
- Master Educator Clinical Consultation: “Combining and integrating medication and psychotherapy for schizophrenia and other Axis I disorders.”

Grand Rounds: “Practical Management of Psychoses at South Nevada Adult Mental Health Center,” Las Vegas, May, 2004.

At the Annual Meeting of NCDEU, Phoenix, June 2004

- Poster: “Maintenance Therapy with Haloperidol Decanoate and Quetiapine: A Controlled Random Assignment Study.”

Lecture: “Families in the Treatment of Personality Disorders and Issues of Compliance.” As part of the symposium Personality Disorders: Research & Treatment – An Update. Stanford University Medical Center, June, 2004.

Lecture: “Terrorism, Changing Family Roles and Functions – and Women’s Wellness: Part II.” Women’s Wellness Rounds, Stanford University School of Medicine, June, 2004.

Grand Rounds: “What Does Psychotherapy Add to Medication Alone for Axis I Disorders.” Dept Psychiatry & Behavioral Sciences, Stanford Univ School of Medicine, Sept, 2004

Grand Rounds: “Combining Medications and Psychotherapy.” Dept of Psychiatry, University of Iowa School of Medicine, September, 2004.

Grand Rounds: “Antipsychotic Use in Special Populations.” Dept of Psychiatry, UCSF University Medical Center, Fresno, CA, October, 2004.

Lecture: “New Treatments for Schizophrenia.” Univ of Oklahoma Health Sciences Center, Oklahoma City, October, 2004

Grand Rounds: “New Treatments for Psychosis.” Fulton State Hospital, Fulton, MO, Oct, 2004.

Grand Rounds: “New Treatments for Psychosis.” Dept of Psychiatry, University of Missouri, Columbia, MO, Oct, 2004.

Grand Rounds: “New Treatments for Schizophrenia.” Dept of Psychiatry, Univ of Kansas School of Medicine, Wichita, KA, October, 2004.

Lecture: “New Treatments of Schizophrenia.” North West Missouri State Hospital, Kansas City, KA, October, 2004.

CME Program: “A Workshop: Interpreting Mental Health Scales and Their Practical Application to Your Practice.” 2004 US Psychiatric and Mental Health Congress, October, 2004.

- Chair
- Lecture: “Assessment Scales: How Are They Useful?”

At the Annual Meeting of the American College of Neuropsychopharmacology, Puerto Rico, December, 2004:

- Poster: “New Developments in Teaching of Psychopharmacology,” with Sid Zisook.
- Poster: “Second Generation Atypicals vs. First Generation Decanoate,” with Stephen Marder.
- Poster: “Analysis of Industry vs Investigator Initiated Trials,” with John Davis.
- Chair: Fourth Annual ACNP “Teaching of Psychopharmacology” session.

Lecture: “Combination Drug Strategies in Schizophrenia.” As part of the symposium Stanford Psychopharmacology: Course and Clinical Update. Stanford University Medical Center, March, 2005.

Lecture: “Metabolic Issues of Atypical Antipsychotics.” Dominican Santa Cruz Hospital, March, 2005.

Consultant: “Antipsychotic Drugs.” Smith Barney Citigroup 2005 Healthcare Conference, Washington, D.C., March, 2005 (with John Kane, M.D. and Les Citrone, M.D.).

At the 2005 Annual Meeting of the American Psychiatric Association, Atlanta, GA, May, 2005.

- Debate, Resolved: Second Generation Antipsychotics are Uniformly Superior in Safety and Efficacy to First Generation Antipsychotics.
Moderator: Richard E. D'Alli, MD
Affirmative: Ira D Glick, MD, John M Davis, MD
Negative: Rajiv Tandon, MD, William T Carpenter, Jr., MD
- Chair, Symposium, "Use of Concomitant or Adjunctive Medications in Schizophrenia,"
 - Paper presentation, "Efficacy of Concomitant Medications for Stabilized Patients with Schizophrenia," (with J Davis).
- Paper presentation, "The Challenge of Teaching Psychopharmacology in the New Millennium: The Role of Curriculum" (with S Zisook) as part of Symposium "Teaching Psychopharmacology in the 21st Century."
- Chair, Symposium, "Inpatient Psychiatry: Crisis and Response."
 - Paper presentation, "Inpatient Psychiatry at the Turn of the Century" (with G Carter & R Tandon).

ASCP Corner: "Challenges and Opportunities in Teaching Psychopharmacology During Residency Training." Zisook S, Glick I, Goldberg DA." J Clin Psychiatry 66:7, July 2005

Lecture: "Careers in Geriatric Psychopharmacology: Collaboration with Big Pharma," at the Eleventh Annual Summer Research Institute in Geriatric Psychiatry, Stanford University, July 2005

Grand Rounds: "Update on Schizophrenia and Bipolar Disorder." Sacred Heart Hospital, Spokane, WA, October, 2005.

Grand Rounds: "Update on Schizophrenia and Bipolar Disorder." American Lake VA, Tacoma, WA, October, 2005.

CME Lecture: "Overcoming the Issues of Noncompliance in Schizophrenia," at the 2005 U.S. Psychiatric & Mental Health Congress, Las Vegas, October, 2005.

Grand Rounds: "New Atypicals." Shasta Community Mental Health, Redding, October 2005.

At the Annual Meeting of the American College of Neuropsychopharmacology, Hawaii, December, 2005:

- Chair: Fifth Annual "Teaching Neuropsychopharmacology" session: The Neglected Constituencies: Can Teaching About Psychopharmacology Change Attitudes and Practices?
 - Paper: "The Challenge of Teaching at the Academic-Industry Interface" (with Terence Ketter).

Invited CME Lecture: "New Treatments for Schizophrenia," Psychopharmacology Update for Visiting Clinical Research Psychiatrists from Spain, Stanford University School of Medicine, January, 2006.

Invited Lecture: "Results From the CATIE Study as a part of the Stanford Psychopharmacology Course and Clinical Update. Stanford University Medical Center, March 2006.

Grand Rounds: "New Treatments for Schizophrenia." Bismarck Community Mental Health Center, Bismarck, North Dakota, April 2006.

Invited Lectures: The CATIE Study: What Does It Mean In the Context of the Field, Japan, May, 2006.

- Tokyo
- Fukuoka
- Toshugi
- Saitama
- Akita
- Nagoya
- Hiroshima

At the Annual Meeting of the American Psychiatric Association, Toronto, May, 2006.

- Poster: "Clinical and Metabolic Impact of Switching Antipsychotic Therapy" (with J Kim and G Reaven)

Grand Rounds: "The CATIE Study: New Results." Department of Psychiatry and Behavioral Sciences, Stanford, CA, June, 2006,

At the Annual NCDEU Meeting, Boca Raton, Florida, June, 2006:

- Poster: "A New Psychopharmacology Curriculum for the Teaching of Psychopharmacology."

At the Biannual Meeting of the CINP (Collegium Internationale NeuroPsychopharmacologium, Chicago, July 2006

- Presenter: "The CATIE Study in Context," Debate, (Chair, H. Meltzer)
- CME Update: "Meeting the Challenges of Obtaining Optimal Outcomes in Schizophrenia; Improving Function Over the Long Run," (with Meltzer H, Altamura C and Lindenmeyer JP)

CME Update: "The CATIE Study." Fresno Community Mental Health Center, August 2006.

Neuropsychiatry Collaborative Grand Rounds: "New Advances in the Neuroscience and Treatment of Schizophrenia: The CATIE Study." Stanford University School of Medicine, September, 2006

At the APA 58th institute on Psychiatric Services, New York, October, 2006:

- Workshop: "Concomitant Medication in Schizophrenia: What We Know, Don't Know, and Ignore" (with Miranda Chakos and Jay Patel)
- Poster: "Metabolic Impact and Psychiatric Outcome of Switching Antipsychotic Therapy to Aripiprazole After Weight Gain" (with J Kim and G Reaven).

Grand Rounds: "Combining Medication with Psychotherapeutic Intervention," Downstate Medical Center, SUNY, Brooklyn, October 2006.

Grand Rounds: "The CATIE Study: Clinical Implications," at the Porterville Developmental Center, and at the Tulare County Mental Health Clinic, Fresno, CA 2006.

Invited Lectures: 1) The New Model of Acute Inpatient Treatment of Schizophrenia, and 2) Improving the Efficacy of Outpatient Treatment with Intramuscular Antipsychotic Treatment, China, November, 2006.

- Beijing
- Shanghei
- Sunya

At the Annual Meeting of the ACNP, Hollywood, FL, December 2006

- Posters:
 - Onset of response with oral paliperidone extended-release tablets in patients with acute schizophrenia
 - Metabolic impact and psychiatric outcome of switching antipsychotic therapy to aripiprazole after weight gain
 - The challenge of teaching psychopharmacology in the new millennium: the role of curricula
- Chair, ACNP Teaching Neuropsychopharmacology Plenary (with S Zisook)
- Co-chair, Issues in Ethics Plenary session (with D Braff)
 - Presentation: Working w/Industry Collaboratively and Ethically

Lecture: Schizophrenia: Current Treatment. Rockland Psychiatric Center, White Plains, NY, December 2006.

Lecture: "New Models for Inpatient Psychiatry and Partial Hospitalization Programs." Outpatient Psychiatric Services, Fairmont Hospital Campus, San Leandro, CA January, 2007.

Lecture: "CATIE Investigator Education Series." Los Angeles, Seattle and San Francisco, Winter, 2007

Grand Rounds: "The CATIE Trial in Context." University of Utah Neuropsychiatric Institute (UNI), Salt Lake City, UT, February 2007.

Lecture: "Update on Treatment of Schizophrenia: Data from CATIE & Cutlass Trial." 11th Annual Psychopharmacology Course & Clinical Update 2007. Stanford University School of Medicine, Department of Psychiatry & Behavioral Sciences, Stanford, CA, March, 2007.

Lecturer: "CATIE Investigators' Educational Series," Los Angeles, San Francisco, Seattle, March, 2007.

Invited Plenary Lecture: "New Treatment Options for Schizophrenia," at the Global Meeting Training-the-Trainees (Paliperidone ER). Johnson & Johnson Pharmaceutical, Barcelona, Spain, May 2007.

At the Annual Meeting of the Society of Biological Psychiatry, San Diego, May 2007

- Presenter and Moderator: Workshop on "Concomitant Medication in Schizophrenia" (with Miranda Chakos)
- Poster: "Determination of onset of response to treatment with paliperidone extended-release in patients with acute schizophrenia."

At the Annual Meeting of the American Psychiatric Association, San Diego, May 2007

- Paper: "An Overview of the Field of Sports Psychiatry," as part of a symposium, "How to Practice Sports Psychiatry: A Demonstration."

Grand Rounds: "Understanding and Treating Schizophrenia: Final Results from the CATIE Study." Stanford University School of Medicine, Stanford, May, 2007.

Grand Rounds: "The CATIE Study and New Treatments for Schizophrenia," at the MetroHealth Hospital and at the Department of Psychiatry, Case Western State University, Cleveland, June 2007

Invited Lecture: "The New Model of Inpatient Psychiatry: Intensive Care and Beyond," Contra Costa Medical Center, Martinez, CA, November, 2007.

At the Annual Meeting of the ACNP, Boca Raton, Florida, December, 2007

- Co-chair, ACNP Teaching Neuropsychopharmacology – An Epiphany for Psychopharmacology Education for Residents and Practitioners: A Demonstration (with Constantine Lyketsos); • Presentation: "Using a Model Curriculum for the Standard Lecture Format: Having the Content and Lighting the Fire," (with Sid Zisook).
- Posters:
 - Industry sponsorship and outcome at antipsychotic trials (with John Davis)
 - Do concomitant medications improve outcome of antipsychotic monotherapy for stabilized patients with non-acute schizophrenia? (with John Davis)
 - Patterns of response with paliperidone ER and placebo in patients with schizophrenia (with C Bossie, C Canuso, Y Zhu and L Alphhs)

Grand Rounds: "Proven Efficacy in Schizophrenia: Highlights." Kaweah Delta Mental Health Hospital, Visalia, CA, January, 2008

Resident Forum: "Schizophrenia Update," UCSF Fresno Center, Fresno, CA, January, 2008

Grand Rounds: "Current Treatment of Schizophrenia after CATIE and CUTLASS." Department of Psychiatry, New York University School of Medicine, NY, March 2008.

At the Annual Meeting of the American Psychiatric Association, Washington, DC, May 2008.

- Posters:
 - "Aripiprazole in the Treatment of Schizoaffective Disorder Patients: A Pooled Analysis from Two Randomized, Double-blind, Placebo-controlled Trials," first author.
 - "Patterns of Response with Paliperidone ER and Placebo in Patients with Schizophrenia," first author.

At the NCDEU Annual Meeting, Phoenix, AZ, May, 2008

Poster: The efficacy of aripiprazole on the five dimensions of schizophrenia derived by factor analysis: Pooled data from five short-term studies (with Philip Janicak et al)

Workshop: Psychopharmacology Education for Residents, Clinicians, and Industry Personnel: A Demonstration. Chair

Presentation: Teaching Psychopharmacology: A Complete Curriculum

At the XXVI CINP Congress – 50th Anniversary of the CINP, Munich, Germany, July, 2008

Paper: “What have we learned from the present generation of multi-target agents for schizophrenia? How does pharmacology link to clinical actions?” (with Davis J and Leucht S)

Grand Rounds: “Combining Medication and Psychopharmacology for Axis I Disorders.” Northshore University Hospital, Glen Cove, New York, Sept 2008

At the Annual Meeting of the Association of Academic Psychiatry, Santa Fe, Sept, 2008

- Poster: “Going globally with a psychopharmacology curriculum for residents, medical students and clinicians.” (with Zisook, S)
- Special Session: “Problems & strategies of teaching cutting-edge clinical psychopharmacology for residents and medical students.”
- Workshop: “A group networking exercise to increase collaborative scholarship in writing.” (with Hilty, D)

At the Annual Meeting of the American College of Neuropsychopharmacology, Scottsdale, AZ, Dec. 2008

• Co-Chair, Teaching Neuropsychopharmacology Session. “Teaching Psychopharmacology: Successes and Failures in Determining Whether Anyone Learned Anything (or Did the Message Get Across?)” 8th Annual ACNP Educational Plenary Session:

- Presentation: “Evaluating Med Student and Residency Competency in Psychopharmacology.”
- Study Group: Long-Term, Large-Scale Clinical Trials of Psychiatric Medications and Treatment Strategies
Chair: Ira Glick with D Klein, H Kraemer, T Insel, M Trivedi, J Coyne, J Csernansky
- Poster: “Aripiprazole in Schizophrenia Patients with Comorbid Obsessive-Compulsive Symptoms.”
- Poster: Exploration of Placebo Response Found in Recently Conducted vs. Earlier Trials of Patients with Schizophrenia,” with Larry Alphas, Ibrahim Turkoz, Carla Canuso, Cynthia Bossie.”

Grand Rounds: “Barriers to Academic-Industry Education and Research Collaboration.” Department of Psychiatry, Stanford University School of Medicine, Stanford, CA, Feb 2009

Panel Participant: “Psychiatry and Pharma: Where Do We Draw The Line?” Northern California Psychiatric Society, 50th Annual Meeting, Monterey, CA, March, 2009, with Stotland N and Reus V.

At the Annual Meeting of the American Psychiatric Association,” San Francisco, May, 2009.

- “A New Model for Acute Psychiatric Hospitalization, in the symposia, Advances in Hospital Psychiatry, with R Tandon.
- “Family Intervention to Improve Efficacy and Effectiveness of Medication for Schizophrenia,” as part of symposia on Optimizing Treatment Outcome in Axis I Disorders: Augmentation with Family Interventions.

Grand Rounds: Berkshire Medical Center, Pittsfield, MA, July, 2009

- Staying Current in Psychopharmacology
- Current Treatments of Schizophrenia

Medical Expert Witness: at the Trial Academy, International Association of Defense Counsels, Stanford, July 2009.

Grand Rounds: Mid-term and Long-Term Efficacy and Effectiveness of Antipsychotic medications for Schizophrenia: A Data-Driven Personalized Clinical Approach, At the Weill Cornell Medical College, New York City, Payne Whitney Clinic of New York Hospital and at the Westchester Division of New York Hospital. New York November, 2012.

Grand Rounds: Mid-term and Long-Term Efficacy and Effectiveness of Antipsychotic medications for Schizophrenia: A Data-Driven Personalized Clinical Approach, At the Weill Cornell Medical College, New York City, Payne Whitney Clinic of New York Hospital and at the Westchester Division of New York Hospital. Beth Israel Medical Center, New York, December 2012.

Invited Lecture.

At the Department of Psychiatry, Polyclinic Hospital School of Medicine, University of Milan, October, 2009.

- Long-term Treatment of Schizophrenia
- The Art of Psychopharmacology

Invited Participant

- “The High Prevalence of Poor Medication Adherence in Schizophrenia,” as part of a Forum, Value of Long-acting Therapies (LATS), supported in part by Janssen, Las Vegas, October, 2009

At the 3rd International Forum on Innovation in Psychiatry, Milan, Italy, November, 2009

- Long-term Antipsychotic Treatment: Modality, Problems and Comparisons

At the 3rd Annual International Brain Conference, Lake Buena Vista, FL, December, 2009

- An Analysis of Recent Research on Schizophrenia: Long-term Safety and Efficacy of Antipsychotics

At the 48th ACNP Annual Meeting, Hollywood, FL, December, 2009

- Poster: “A Model Curriculum for Teaching Medical Students Psychopharmacology”
- Poster: “Family Presence and Support is Correlated with Outcome for Patients with Chronic Schizophrenia
- Chair, Teaching Neuropsychopharmacology, 9th Annual ACNP Educational Plenary Session, “The Impossible Dream:” Keeping Up with Clinical Neuroscience & Psychopharmacology, Circa 2010
 - Lecture: “A Radical Proposal for Staying Current”

Invited Lecture as part of the Parent-Education Series at Marin Academy, San Rafael, CA, Feb, 2010

- “Family Function and the Teen Years: Surviving, Let-alone Thriving.”

Invited Lecture at the 14th Congress of the Italian Society of Psychopathology (SOPSI), Rome, Feb, 2010

- “Evaluation of the Efficacy of Atypical Antipsychotics on Major Psychosis with Long-term Treatment.”

Invited Lecture at the Northern California Psychiatric Society, 2010, Annual Meeting, Monterey, March, 2010

- “Cutting Edge Treatment for Schizophrenia: New Data and New Treatments for the Clinician”

At the 2010 APA Annual Meeting, New Orleans, May, 2010

- Course organizer and lecturer for Psychopharmacology Master Course, Essential Psychopharmacology: “Staying on the Cutting Edge of Advances in Clinical Psychopharmacology,”
 - Lecture, “Pharmacotherapy of Schizophrenia: Clinical Implications of New Research”
- ASCP Psychopharmacology Course, Translating the Psychopharmacology Evidence Base into Practice: A sampler from ASCP,
 - Lecture, “Combining Medication and Psychotherapeutic Intervention for Axis I disorders”

At the New Clinical Drug Evaluation Unit Meeting (NCDEU) Boca Raton, FL, June 2010,

- Panel• Combining Medication with Psychosocial Intervention to Improve Outcome of Axis I Disorders, Co-Chair.
- Lecture, “Combining Medication with Psychosocial Intervention to Improve Outcome of Schizophrenia, (with Marder S)”

At the 2010 ASCP Clinical Update, New York, October, 2010

- Lecture: “Update on the Treatment of Schizophrenia”

At the 2010 Meeting of the German Association for Psychiatry and Psychotherapy, Berlin, Germany, November 2010

- Lecture: “An Overview of Sport Psychiatry: A New Frontier in a Changing World”

At the 2010 Meeting of the American College of Neuropsychopharmacology, Miami, December 2010

- Chair, Teaching Psychopharmacology, 10th Annual ACNP Educational Plenary Session: New Development in Psychopharmacology

- Paper presentation, The American Society of Clinical Psychopharmacology Curriculums for 1) Residents, 2) Medical Students, and 3) Primary Care Physicians.

- Posters:

- Long-Term Efficacy & Effectiveness of Antipsychotic Medication for Schizophrenia, A Data-Driven Personalized, Clinical Approach. (with John Davis)

- New Model Curriculums for Teaching Psychopharmacology to Residents, Medical Students, and Primary Care Prescribers. (with Bruce Lydiard)

Lecture: Psychopharmacologic Treatments for Schizophrenia, 16th Annual Psychopharmacology Update, Nevada Psychiatric Association, Las Vegas, February 2011.

At the 2011 APA Annual Meeting, Honolulu, May 2011:

- Lecture: Strategies of Treatment for Treatment Resistant Schizophrenia as part of the Masters Course, entitled “Essential Psychopharmacology”

- Lecture: Sport Psychiatry and Traumatic Brain Injury: New Frontiers in a Challenging World as part of a Symposium, Traumatic Brain Injury in the Athlete: Psychiatric Implications (with Reardon, D, Morse, E, Newmark, T)

- Lecture: The Development of Psychopharmacology for Psychiatric Residents as part of Symposium The Importance of Biological Psychiatry and Clinical Psychopharmacology in Teaching Psychiatric Residents (with Peselow, E)

- Co-Chair and Lecture 1. Models of Family and Couples Therapy and 2. Evidence Basis for Family Intervention in Axis I Disorders as part of Symposium Integrating Couples and Family Treatment into Patient Care.

At the 51st Annual NCDEU Meeting, Boca Raton, FL, June 2011:

- Research Report: “Long-term Efficacy and Effectiveness of Antipsychotic Medication for Schizophrenia, a Data-driven Personalized, Clinical Approach” (with Davis J. Marder, S et al)

- Poster: New Model Psychopharmacology Curriculum for Residents, Medical Students and Primary Care Physicians

Invited Lecture. “The New Psychiatry: Past, Present, (& Maybe) The Future of Treatment”, Rhoda Goldman Institute, San Francisco, July, 2011.

At the 2011 American Physician Institute CME Course, San Diego, October, 2011, lectures:

- Current Update on Treatment of Schizophrenia
- New Medications and New Strategies of Treatment for Schizophrenia over the Long-Run

Invited Lecture, New Data and New Strategies of Treatment for Schizophrenia, Psychiatric Grand Rounds, San Quentin Prison, CA, October 2011

Invited Lecture, New Neuroscience and Genetic Advances as They Affect Psychology and Psychiatry, at the Department of Psychology, Lehigh University, Bethlehem, PA, November 2011.

Chair: All-day Update on the Current Understanding and Treatment of Schizophrenia, at the 17th Annual Psychopharmacology Update, Nevada Psychiatric Association, February 2012.

- Lecture, Long-Term Management and Treatment of Chronic Schizophrenia

Lecture: Update on the Treatment of Schizophrenia, Fremont Hospital, Fremont, CA, April, 2012.

At the 2012 American Psychiatric Association Annual Meeting, Philadelphia, May 2012:

- Lecture: Psychological Impact of Injury in the Athlete, as part of a symposium, "Rebound and Recovery in the Athlete," with Tom Newmark
- Discussant: "Here One Day - A Film About Bipolar Disorder and Suicide"
- Lecture: "New Treatment for Schizophrenia", as part of Masters Course, Essential Psychopharmacology
- Co-chair and Symposium Discussant: Improving Quality of Care for Patients with Psychiatric Illness: Combining and Integrating Psychopharmacological, Individual, and Family Therapy

At the 2012 NCDEU Annual Meeting, Phoenix, June, 2012

- Special Educational Session, Improving the Teaching-Learning Process in Psychopharmacology: A Demonstration of New Teaching Formats From the ASCP Psychopharmacology Curriculum
 - Lecture: The New Seventh Edition of the ASCP Model Psychopharmacology Curriculum
- Posters
 - Going Electronic: Moving Data and Discovery to Pharmacology Teachers
 - Efficacy and Safety/Tolerability of 2 Approaches for Switching to Iloperidone in Patients With Schizophrenia, With Weiden P, Alva G, et al.

Grand Rounds, Update on Schizophrenia, John George Pavilion of the Alameda County Medical Center, Fremont, CA, July 2012.

Data Monitoring Committee for VA Cooperative Study 576; VA Augmentation and Switching Treatments for Improving Depression Outcomes (VAST-D), 2012-2014

Grand Rounds, New Data and New Strategies for Cutting-Edge Treatments of Schizophrenia, Department of Psychiatry, Weill Cornell Medical College, Payne Whitney Clinic, New York City and at Westchester Division, White Plains, New York, November, 2012.

Grand Rounds, New Data and New Strategies for Cutting-Edge Treatments of Schizophrenia, Department of Psychiatry, Beth Israel Medical Center, New York, December, 2012.

At the 2013 American Psychiatric Association, Annual Meeting, San Francisco, May, 2013

- Invited Presidential Symposia: Cutting – Edge Treatment of Schizophrenia over the Life Cycle: New Data and New Strategies, Lecture: Mid-Term and Long-Term Treatments of Schizophrenia
- Discussant of Documentary Film, "Unlisted: A Story of Schizophrenia."

At the 2013 NCDEU Annual Meeting, Hollywood, Florida, May, 2013

- Lecture: Efficacy of Clozapine and Reasons for Under-utilization, as part of a workshop, The Under-utilization of Clozapine: Reasons and Solutions (Chair JP. Lindenmayer)
- Debate Participant: Hybrid Trial Networks. Leveraging Academic Focus to Assess Unproved Mechanism on Drugs in Psychiatric Disorders, as part of a workshop: Neuroscience vs Serendipity in Psychiatric Drug Development: A Debate
- Organizer and Lecturer of Workshop, Impediments/Barriers to Effective Teaching – Learning of Psychopharmacology.
 - Lecture: The Seven Sins of Psychopharmacology Teaching (Co-author Salzman, C)
- Posters: 1) Improving Psychopharmacology Education and Practice: The Quandary of Getting Data and Information to the Teachers and 2) Web-based Curriculums for Teaching Psychopharmacology

Grand Rounds: Mid-Term and Long-Term Treatments of Schizophrenia. University of California, San Diego, San Diego, CA, June 2013.

Grand Rounds: Cutting Edge Treatment of Schizophrenia New Research and New Strategies, Albert Einstein College of Medicine and Montefiore Hospital, Bronx, New York, October 2013.

Grand Rounds: Mid-Term and Long-Term Treatments of Schizophrenia, Dept of Psychiatry, University of Massachusetts, Wooster, Mass, February 2014.

Invited Lecture: The New Neuroscience – and Psychology, Psychiatry and Medicine. Clarke Forum for Contemporary Issues, Dickinson College, February 2014.

Invited Lecture: Long-Term Treatment of Schizophrenia, at the 2014 Annual Meeting of the Northern California Psychiatric Society, Monterey, Ca, March 2014.

Invited Lecture: New Neuroscience: Psychology, Psychiatry and Medicine. Department of Psychology, Wesleyan University, Middletown, CT, May 2014.

Invited Lecture: A Focus on Treatment of Schizophrenia: New Data and New Strategies, at the Dept of Psychiatry, University of Minnesota, Minneapolis, Minnesota, May, 2014.

Grand Rounds: Advances in Drug Treatment of Schizophrenia, Dept of Psychiatry, Alameda Health System, San Leandro, Ca, June, 2014

At the 2014 Annual American Society of Clinical Psychopharmacology, Hollywood, Fla, June, 2014 (repeated at the 2014 Annual Meeting of the Am College of Neuropsychopharmacology, Phoenix, AZ):

Poster: Improving Psychopharmacology Education, with Balon, R and Zisook, S

Poster: Web-based Curriculums for Teaching Psychopharmacology, with the A S C P Curriculum Committee

Grand Rounds: New Strategies and New Treatments for Schizophrenia, Dept of Psychiatry, Tufts University School of Medicine, Boston, September, 2014.

Grand Rounds: Diagnosis and Treatment in 21st Century Psychiatry, Dominican Hospital, Santa Cruz, Ca, Jan, 2015.

Invited Lecture: Combining Medication with Psychotherapeutic Intervention for Psychiatric Disorders, at the Northern California Psychiatric Society Continuing Education Meeting, San Francisco, Feb, 2015 and at the Clinical Psychology Trainees Conference of Alameda Health System, Oakland, Ca, Feb, 2015.

Middle East Lecture Tour: Grand Rounds, Update on Current Treatment of Schizophrenia, at Dept of Psychiatry, Hamad Medical Corp Hospital, Doha, Qatar and at Saif Bin Ghubash Hospital, Dubai, U A E, March, 2015

Grand Rounds: New Strategies and Treatments for Long-term Treatment of Schizophrenia, at the Dept of Psychiatry, NYU School of Medicine, New York, April, 2015.

At the 2015 American Psychiatric Association, Annual Meeting, Toronto, May, 2015:

- Lecture “ Can We Treat the Cheat? As part of a symposia, “Cheating, Personality Disorders, and Sport Psychiatry,” with Begel, D.

Grand Rounds: New Treatments and New Strategies for Long-term Treatment of Schizophrenia, Howard University School of Medicine, Washington D.C., May, 2015

At the Annual Meeting of the American Society of Clinical Psychiatry, Miami, June, 2015:

- Workshop: How to Use the Model Psychopharmacology Curriculum in Different Teaching Settings, with Osser, D
- Lecture, The Role of LAIs in the Treatment of Schizophrenia: Outcome Data, with Davis, J.

Grand Rounds: Update on Long-term Treatment of Schizophrenia. Tulane Univ School of Medicine, New Orleans, La, October, 2015.

Public Lecture: The New Neuroscience, Psychology and Psychiatry: Where We've Been and Where We're Going, Stanford Woman's Club of San Francisco, November, 2015.

At the 2015 Annual Meeting of the American College of Neuropsychopharmacology, Hollywood, Fla, Dec, 2015:

- Poster, Teaching the Teachers of Clinical Psychopharmacology, with Carl Salzman,
- Poster, 2016, Model Curriculums for Teaching Psychopharmacology, for the ASCP Curriculum Committee
- Workshop: Using the ASCP Psychopharmacology Curriculum for Teaching Residents

Grand Rounds: Inpatient Psychiatry: Past, Present and Future: Alameda Health System and John George Hospital, San Leandro, Ca, Jan, 2016.

At the 2016 Annual Meeting of the American Psychiatric Association, Atlanta, Ga, May, 2016:

- Discussant, for the Workshop: Optimizing Psychopharmacology Training During Residency, with Rakofsky, j, Zisook, S and Young, J.

At the 2016 Annual Meeting of the American Society of Clinical Psychopharmacology, Phoenix, 2016:

- Workshop, Using the ASCP Psychopharmacology Curriculum for Teaching Residents with Osser, D
- Poster, Teaching the Teachers of Clinical Psychopharmacology, with Carl Salzman,

- Poster, 2016, Model Curriculums for Teaching Psychopharmacology,

Day-long Psychiatric CME Conference: Update on Clinical Psychopharmacology, for the California Psychiatric Society, Palm Springs, CA, 2016

Organized entire conference and lectured on “Mid- and long-term treatment of schizophrenia: New data and new strategies.”

Grand Rounds: The Future of Psychiatric Hospitals, The Institute of Living, Harford, Conn, Nov, 2016

Grand Rounds: Update on Mid to Long-term Treatment of Schizophrenia, Manhattan Psychiatric Center, New York, New York, Nov, 2016.

At the 2016 Annual Meeting of the Am College of Neuropsychopharmacology, Hollywood, Fla, Dec, 2016:

Poster: History and Update of the ASCP (ACNP) Model Psychopharmacology Curriculums. with the ASCP Curriculum Comm

Poster: Should Antipsychotic Medications for Schizophrenia Be Given for a Lifetime?, with John Davis.

Grand Rounds: Combining Medication and Psychotherapeutic Interventions for Axis I Disorders, Dept of Psychiatry, Carolinas HealthCare System, Dec, 2016.

Dept of Psychiatry, Loyola Univ Medical Center, April, 2017.

Grand Rounds: Rethinking Lifetime Treatment of Schizophrenia: A Long-term Follow-up of Patients Treated with Antipsychotics,

Dept of Psychiatry, Univ California San Francisco (UCSF), Feb, 2017

Dept of Psychiatry, Rush University Medical Center, April, 2017

Dept of Psychiatry, Stanford University School of Medicine, June, 2017

At the 2017 Annual Meeting of the American Society of Clinical Psychopharmacology, Miami, Fla, June, 2017:

Lecture: New Pharmacologic Interventions for Tardive Dyskinesia, as part of a Symposia, “Tardive Dyskinesia: The Forgotten Adverse Event

Poster: History and Update of the ASCP (ACNP) Model Psychopharmacology Curriculums. with the ASCP Curriculum Comm.

Poster: Should Antipsychotic Medications for Schizophrenia Be Given for a Lifetime?, with John Davis.

Lecture: Medical -Psychiatric Aspects of Sports and Exercise Over the Life Cycle, Odyssey Group, Palo Alto, Ca, May, 2017.

Workshop: Teaching Psychopharmacology in Low and Middle Income Countries: A World Psychiatric Association/Am Society of Psychopharmacology Collaboration, Berlin, Oct. 2017, with D Moussaoui and S Zisook.

November 9, 2017
