Listed in "The Best Doctors in America" 1994 - 1995, edited by Steven Neufeh and Gregory White Smith, Woodward/White Publishers

Listed in "Best Doctors in New York" New York Magazine 1996, 1998, 1999, 2000.

Selected to participate in Expert Consensus Panel on Treatment of Schizophrenia 1996, 1998
Frances A, Docherty JP, and Kohn DA. J. Clin Psychiatry 57 (suppl. 12B) 1996.

Invited Speaker - National Consensus Meeting on the Use, Abuse and Sequellae of Abuse of Methamphetamine with Implications for Prevention Treatment and Research Satellite meeting of College on Problems of Drug Dependence, June 1996, San Juan. DHHS Publication No. (SMA 96-8013) 1997

Advisory Board - The Heffter Research Institute 1993-present

Invited Participant - Methamphetamine Addiction Treatment Think Tank Talks (MATTT), NIDA
January 2000.

Original Report #37 (Psychopharmacology 1980; 72:17-19) noted to be among the ten most frequently cited papers published by Psychopharmacology 12/19/2000.

Invited speaker, International Conference on Stimulant-Induced Psychosis, March 2001, Sendai, Japan.

Major Committee Assignments:

NYU School of Medicine:

Department of Psychiatry: Promotions and Tenure, Research, and Departmental Executive Committees

Dept. of Veterans Affairs Medical Center, New York:

Committee on Psychiatric Emergencies; Chair, Task Force on Restructuring Substance Abuse Services

Memberships, Offices and Committee Assignments in Professional Societies:

Memberships:

1970 - present

1975 - present

1976 - present

Society of Biological Psychiatry

American College of Neuropsychopharmacology (A.C.N.P.)

Collegium Internationale Neuro-Psychopharmacologicium (C.I.N.P.)

Committees:

1981

Society of Biological Psychiatry - AE Bennett Award Committee

1981-1983 American College of Neuropsychopharmacology (ACNP): Credentials Committee

- 1991-1993 ACNP Program Committee
- 1994-1996 ACNP Education and Training Committee
- 1994-1998 ACNP PDP Evaluation group

Major Research Interests:

1. Psychosis induced by CNS Stimulants, particularly amphetamine and cocaine, with additional studies of other dopaminergic agonists, i.e., ephedrine, piribedil, L-Dopa, bromocryptine, lergotril and apomorphine.
2. Therapeutic uses of CNS Stimulants in AIDS dementia and adult ADHD.
3. CNS Stimulants as tools in the study of schizophrenia.
4. Treatment of drug-induced akathisia, particularly the effects of B-adrenergic blockers.

Principal Clinical and Hospital Service Responsibilities:

- 1966-1980 Attending psychiatrist on inpatient wards of Bellevue Psychiatric Hospital on which Dr. Gershon's Neuropsychopharmacology Research Unit was located.
- 1980-1998 Attending staff psychiatrist on inpatient (Resident Teaching) ward of the New York Dept. of Veterans Affairs Medical Center
- 1996-1998 Part-time Outpatient Staff Psychiatrist. New York Dept. of Veterans Affairs Hospital

Teaching Experience:

- 1966-1980 Did patient interviews and taught psychopathology to medical students who visited the Bellevue Neuropsychopharmacology Research Unit on their psychiatry rotation. Worked closely with John Rotrosen during his medical school Honors Program studies. Gave lectures to residents. Supervised residents who chose elective rotations on the research unit.
- 1978-1981 Co-Director (with Dr. Georgotis) of Postdoctoral teaching program, "Postgraduate Research Education in Psychiatry" MH 15381 NIMH.
- 1982-1998 Inpatient supervisor of psychiatry residents during their rotations at the New York VA.
- 1985-Present Lectures (usually a series of 4) to residents during their VA rotations.
- 1991-1999, 2002 Outpatient psychopharmacology supervisor of PGY3 and PGY4 residents

Reviews for Journals:

Adhoc reviewer for: Science, Psychopharmacology, Archives of General Psychiatry, American J. Psychiatry, J. Clinical Psychopharmacology, Schizophrenia bulletin, Biological Psychiatry, Psychiatry Research, Neuropsychopharmacology, Life Sciences, Clinical Neuropharmacology, Pharmacology, Biochemistry and Behavior, Drug and Alcohol Dependence, International Neuropsychopharmacology.

Grants in Past Five Years:

1. Cycloserine Treatment of Negative Symptoms in Schizophrenia. 1996-1998. Co-Investigator (Erica Duncan, P.I.). VA Merit Review
2. NIDA/VA Medications Development Research Unit. 1995-2000. Co-Investigator (John Rotrosen, P.I.). NIDA
3. Medications Development for Stimulant Dependence. 1/2003-12/2007. NIDA contract #NO1DA-8824. Co-Investigator (Malcolm Reid, P.I.)
