

CURRICULUM VITAE

FRANK M. BERGER

PERSONAL:

Born Pilsen, Czech Republic, 1913
 Married, grown children

DEGREES:

M.D. · University of Prague, 1937
 M.D. · University of the State of New York, 1948

APPOINTMENTS:

President, Geneva Holdings, Inc.
 200 East 72nd Street, Suite 32B
 New York, New York 10021

President and Trustee, Mario Negri Institute
 Foundation for Biomedical Research, Inc.,
 New York, New York

PREVIOUS
POSITIONS:

Clinical Professor of Psychiatry, University of
 Louisville School of Medicine, Louisville,
 Kentucky, 1979-90.

Professor of Psychiatry and Co-Director,
Psychopharmacology Doctoral Program, University
 of Louisville School of Medicine, 1974-79.

President and Chief Executive Officer - Wallace
 Laboratories, Div. of Carter-Wallace, Inc.,
 Cranbury, New Jersey, 1958-73.
Director of Research, 1949-73.

Lecturer with rank of Professor and member of Advisory
 Council - Princeton University, Department of Biology,
 Princeton, N.J., 1961-76.

Consultant to U.S. Army Medical Research and Development
 Command, Walter Reed Army Medical Center, Washington,
 D.D., 1974-87. Chairman, Ad Hoc Study Group on
 Clinical and Preclinical Pharmacology, 1977-80.

Member, American Institute of Biological Sciences,
Pharmacology Peer Review Panel to U.S. Army Medical
Research and Development Command, 1985-1990.

Member of Editorial Board, Clinical Pharmacology
and Therapeutics, 1968-85

Member, Scientific Advisory Committee,
Waksman Institute of Microbiology, Rutgers University,
New Brunswick, N.J., 1960-67.

Assistant Professor of Pediatrics, University of
Rochester Medical School, Rochester, N.Y., 1947-49.

SCIENTIFIC
HIGHLIGHTS:

The Local Use of Estrogens - 1935
Penicillin Extraction and Purification - 1943
Skeletal Muscle Relaxants - 1947
Antianxiety Tranquilizers - 1952
Antiepileptics - 1956
Atherosclerosis Reversal - 1963
Resistance to Infection and Tumors - 1964
Immunomodulators - 1968
Uricosuric Antiinflammatory Agents - 1970
Immunoadjuvants - 1972

NEW DRUGS:

Responsible for the discovery and introduction
of pharmaceutical products including:

Miltown (meprobamate, Wallace Laboratories)
Equanil (meprobamate, Wyeth Laboratories, and others)
Myanesin (mephesisin, British Drug Houses, Ltd., and others)
Tolserol (mephesisin, E. R. Squibb & Sons)
Soma (carisoprodol, Wallace Laboratories)
Rela (carisoprodol, Schering Corporations, and others)
Deprol (meprobamate with benactyzine, Wallace Laboratories)
Prenderol (diethyl propanediol, E. R. Squibb & Sons)
Dimethylane (glyketal, National Drugs)
Solacen (tybamate, Wallace Laboratories and Beecham)
Capla, Dormate (mebutamate, Wallace Laboratories and others)
Estrogen creams (Schering, Germany, Organon, Netherlands and others)
Mycil (chlorphenesin, Glaxo, Inc., and others)
Felbatol (felbamate, Wallace Labs and Schering Corp.)

PATENTS:

Inventor or co-inventor of a number of new chemical
compounds and processes with medicinal uses
patented in the U.S.A. and many foreign countries.

CONFERENCES:

Chairman and organizer of numerous scientific conferences
on tranquilizers, antidepressants, muscle relaxants,
and other subjects. Invited lecturer at many international
and U.S. congresses and at leading universities here
and abroad.

AWARDS AND HONORS:

Czechoslovak National Prize for Scientific Research,
October 28, 1938.

Doctor of Science, Philadelphia College of Pharmacy
and Science, February 24, 1966.

Paul K. Smith Memorial Lecturer, George Washington
University, April 1969.

The Taylor Manor Hospital Psychiatric Award,
April 18, 1970.

The Fifth International Symposium on Psychopharmacology,
University of Louisville, February 23-24, 1979, honoree.

Honorary Professor Microbiology, Waksman Institute of
Microbiology, Rutgers University, New Brunswick, NJ, 1982.

The Sixteenth Annual International Symposium of
Psychopharmacology, held in honor of Frank M. Berger, M.D.,
University of Louisville, March 15-16, 1990.

PROFESSIONAL AND SCIENTIFIC SOCIETIESFELLOW

American Medical Association
New York County Medical Society
American Association for the Advancement of Science
American College of Clinical Pharmacology and Chemotherapy
American College of Neuropsychopharmacology (ACNP)
Canadian Pharmacological Society
New York Academy of Sciences
Royal Society of Medicine
Sigma Xi

MEMBER

American Association of University Professors
American Chemical Society
American Geriatric Society
American Medical Writers Association
American Society for Clinical Pharmacology and Therapeutics
American Society for Pharmacology and Experimental Therapeutics
British Pharmacological Society
Collegium Internationale Neuro-Psychopharmacologicum (CINP)
Inflammation Research Association
International Society of Immunopharmacology
Pavlovian Society
Society of Biological Psychiatry
Society for Experimental Biology and Medicine

LISTED IN:

Who's Who
Who's Who in America
American Men and Women of Science
Leaders in American Science
Who's Who of American Inventors
Who's Who in the Behavioral Sciences
Who's Who in the East
World Who's Who in Commerce and Industry
Int. Directory of Investigators in Psychopharmacology
(WHO/NIMH)

CLUBS:

American International Club of Geneva
Confrérie de la Chaîne des Rotisseurs
Confrérie des Chevaliers du Tastevin
Cosmos Club, Washington, DC
New York Athletic Club, New York, NY
Princeton Club, New York, NY

PUBLICATIONS:

Numerous articles in leading scientific journals in the fields of muscle relaxants, tranquilizers, atherosclerosis, natural resistance to infections, antibiotics and immunity. Contributor to medical and scientific books. Complete list of publications available.
