PRESENTATIONS

- Spielmanns, G. I. (2016, April). *Psychotropic medications: What you need to know about marketing and misinformation versus science*. Paper presented at the 80th annual Minnesota Psychological Association Convention, Plymouth, MN.
- Spielmanns, G. I. (2016, January). *Marketing, misinformation, and magic: Deciphering the evidence on psychiatric medications*. Invited address at

- the MN State University Counselors Association Conference, St. Cloud State University, St. Cloud, MN.
- Spielmanns, G. I. (2014, November; 2010, February; 2008, June). *Marketing and misinformation versus science: What psychologists need to know about psychotropic medications*. Friday Forum Presentation sponsored by the Minnesota Psychological Association Education and Training Committee, St. Paul, MN
- Spielmanns, G. I. (2010, August). *Marketing-based medicine: What internal industry documents reveal about "evidence-based" psychopharmacology*. Paper presented at the annual convention of the American Psychological Association, San Diego, CA. (Handout)
- Spielmanns, G. I., Froemming, M., Eggen, J. (2010, August). *Specific ingredients for treating GAD and panic disorder? A meta-analysis*. Poster presented at the annual convention of the American Psychological Association, San Diego, CA.
- Parry, P. I., & Spielmanns, G. I. (2009, September). *What do internal industry documents say about the manipulation of drug trials?* Poster presented at the Faculty of Child and Adolescent Psychiatry of the Royal Australian and New Zealand College of Psychiatrists.
- Spielmanns, G. I., Berman, M. I., & Usitalo, A. N. (2009, August). *Psychotherapy versus newer antidepressants in the treatment of depression: A metaanalysis*. Poster presented at the annual convention of the American Psychological Association, Toronto, ON, Canada.
- Spielmanns, G. I., Benish, S., Marin, C., Bowman, W., Menster, M., & Wheeler, A. J. (2009, August). *Psychological treatment specificity for eating disorders? A meta-analysis of comparative trials*. Poster presented at the annual convention of the American Psychological Association, Toronto, ON, Canada.
- Parry, P. & Spielmanns, G. I. (2009, May). *What do the Zyprexa (and other) documents say about industry sponsored CME?* Paper presented at the Royal Australian and New Zealand College of Psychiatrists Congress. (Handout)
- Spielmanns, G. I., Gatlin, E. T., & McFall, J. P. (2008, August). *Evidence-based treatment versus usual care: A meta-re-analysis*. Poster presented at the annual convention of the American Psychological Association, Boston, MA.
- Spielmanns, G. I., Wheeler, A. J., Kennedy-Suttle, A. (2008, August). *Specificity of psychological treatments for headache? A meta-analysis*. Poster presented at the annual convention of the American Psychological Association, Boston, MA.
- Thompson, E. C., Masters, K. S., & Spielmanns, G. I. (2008), March). *Psychological predictors of success in bariatric surgery patients: A meta-analytic review*. Paper presented at the annual convention of the Society of Behavioral Medicine, San Diego, CA.
- DeBerard, M. S., LaCaille, R. A., Spielmanns, G. I., Parlin M. A., Gundy J., & Grewe J. (2008, March). *Patient satisfaction with the Utah Workers' Compensation system following lumbar discectomy: A validity study*. Poster presented at the annual convention of the Society of Behavioral Medicine, San Diego, CA.
- Spielmanns, G. I. *Duloxetine for pain in depression: A meta-analysis*. (2007, August). Paper presented at the annual convention of the American Psychological Association, San Francisco, CA.
- Spielmanns, G. I., Thielges, S. A., Dent, A. L. & Greenberg, R. P. (2007, August).

- The accuracy of psychiatric drug advertisements in medical journals.* Paper presented at the annual convention of the American Psychological Association, San Francisco, CA.
- DeBerard, M. S., LaCaille, R., Spielmans, G. I., Goodson, J. T., & Masters, K. S. (2007, March). *Presurgical biopsychosocial variables predict medical and compensation costs of lumbar discectomy in Utah Worker's Compensation patients.* Poster presented at the annual convention of the Society of Behavioral Medicine. Washington, DC.
- Spielmans, G. I., Pasek, L. F., & Erbacher, M. K. (2006, August). *Specificity of CBT for adult anxiety disorders? A meta-analysis.* Poster presented at the annual convention of the American Psychological Association, New Orleans, LA.
- Spielmans, G. I., Pasek, L. F., & McFall, J. P. (2006, August). *Specificity of CBT for depressed and anxious youth? A meta-analysis.* Poster presented at the annual convention of the American Psychological Association, New Orleans, LA.
- Spielmans, G. I., Masters, K. S., & Lambert, M. J. (2005, August). *A comparison of rational and empirical methods in the prediction of psychotherapy outcome.* Paper presented at the annual convention of the American Psychological Association, Washington, DC.
- Spielmans, G. I., Masters, K. S., Larsen, B. T., Goodson, J. T., & Knestel, A. (2005, August). *Time of measurement effects: Findings related to exercise-induced mood.* Poster presented at the annual convention of the American Psychological Association, Washington, DC.
- Spielmans, G. I., & McFall, J. P. (2005, August). *A comparative meta-analysis of Clinical Global Impressions Scale change in antidepressant trials.* Poster presented at the annual convention of the American Psychological Association, Washington, DC.
- Masters, K. S., Spielmans, G. I., & Goodson, J. T. (2005, August). *Meta-analytic review of distant intercessory prayer studies.* Poster presented at the annual convention of the American Psychological Association, Washington, DC.
- Masters, K. S., Spielmans, G. I., Larsen, B. T., Goodson, J. T., & Knestel, A. (2005, April). *Telephone vs. mail interventions during exercise adoption among rural adults at risk for type 2 diabetes: Effects on mood, physiology, and adherence.* Poster presented at the annual meeting of the Society of Behavioral Medicine, Boston, MA.
- Michael, K. D., Furr, R. M., Masters, K. S., Collett, B. R., & Spielmans, G. I. (2004, July). *Predicting clinically significant change in psychotherapy: The utility of the MMPI-2.* Paper presented at the annual convention of the American Psychological Association, Honolulu, HI.
- DeBerard, M. S., LaCaille, R. A., Spielmans, G. I., Jennings, R. D., Allen, C. A., Bentley, C. G., & Goodson, J. T. (2004, March). *Pre-surgical biopsychosocial variables predict long term lumbar discectomy outcomes in injured workers.* Poster presented at the annual meeting of the American Psychosomatic Association, Orlando, FL.
- Spielmans, G. I., & Mickelson, K. L. (2003, May). *Meta-analysis of cognitive and behavioral therapies for generalized anxiety disorder: Implications for efficacy and outcome assessment.* Poster presented at the annual meeting of the Western Psychological Association, Vancouver, BC, Canada.
- Masters, K. S., & Spielmans, G. I. (2003, May). *Religious orientation, age, and anger experience: A multivariate analysis.* Poster presented at the

annual meeting of the Western Psychological Association, Vancouver, BC, Canada.

Masters, K. S., Heath, E. M., Spielmans, G. I., Clark, K. N., & Van Langeveld, E. (2002, May). *Effect of a 12-week exercise program on adherence and mood in treadmill and no-treadmill groups*. Paper presented at the annual meeting of the American College of Sports Medicine, St. Louis, MO.
